SECTION 2.2 REPRESENTATIONS,
WARRANTIES AND COVENANTS OF THE COMPANY.

The Company makes the following representations, warranties and covenants as the basis for the undertakings on its part herein contained:

The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees, and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(H) The owner, occupant or operator receiving Financial Assistance hereby certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

(I) The Project is in substantial compliance with all provisions of the Act, including, but not limited to, the provisions of Section 859-a and 862(1) thereof.

(J) There are no actions, suits, investigations or proceedings of or before any Governmental Authority, pending or threatened against the Company or any of its Property which (i) either in any case or in the aggregate, if adversely determined, would materially, adversely affect the business, operations or condition, financial or otherwise, of the Company, or (ii) question the validity of any of the Transaction Documents or any action to be taken in connection with the transactions contemplated thereby.

(K) The Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject.

(L) The subleasing of the Project Facility by the Agency to the Company and the granting of the Financial Assistance have induced the Company to proceed with the Project in the County. The granting of the Financial Assistance by the Agency with respect to the Project Facility, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(M) The Company shall use commercially reasonable efforts to maintain the forty-six (46) full-time equivalent employee level that the Tenants of the Project Facility currently employ (collectively, the "Minimum Employment Requirement").

(N) The funds available to the Company are sufficient to pay all costs in connection with the acquisition, construction, installation and equipping of the Project Facility.

(O) The Company is not a Prohibited Person, no Affiliate of the Company is a Prohibited Person and no member, manager, director or shareholder of the Company is a Prohibited Person.

(P) Neither this Agency Lease nor any other Transaction Document nor the Company's Application nor any other document, certificate, agreement or instrument furnished to the Agency by or on behalf of the Company contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein and therein not misleading.

(Q) No funds of the Agency shall be used in connection with the transactions contemplated by this Agency Lease for the purpose of preventing the establishment of an

industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

(R) The Company is, and shall at all times during the term of this Agency Lease, continue to be owned solely by Allan B. Steinberg, unless otherwise agreed to in writing by the Agency.

(S) The Project Facility is located entirely within the boundaries of the County.

(T) The total cost for acquisition of the Project Facility is at least \$1,200,000.

(U) As of the Closing Date, no leases, licenses or other occupancy arrangements exist with respect to the Project Facility or any part thereof except this Agency Lease and the Company Lease and those leases of the Project Facility by the Tenants, and no Person is in occupancy or possession of any portion of the Project Facility, other than the Company and/or the Tenants.

(V) The Company has not conveyed, assigned, transferred, mortgaged, hypothecated, pledged or granted a security interest in its interest in the Project Facility pursuant to a mortgage, security agreement, pledge or other agreement that prohibits the Company from executing and delivering the Company Lease, this Agency Lease or any other Transaction Document. The Company covenants and agrees that it shall not enter into a mortgage, security agreement, pledge or other agreement pursuant to which the existence of the Company Lease, this Agency Lease or any other Transaction Document would constitute a default or an event of default.

(W) Neither the Company, nor any Affiliate of the Company has employed or retained any appointed or elected governmental official to solicit or secure the Agency's undertaking of the Project or its agreement to enter into this Agency Lease or any other Transaction Document upon an agreement of understanding for a commission or percentage, brokerage or contingent fee.

"Retail Sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State primarily engaged in the retail sale of tangible personal property, as defined in section 1101(b)(4)(i) of the Tax Law of the State, or (ii) sales of a service to such customers.

ARTICLE III CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1 CONVEYANCE TO THE AGENCY.

(A) Pursuant to the Company Lease, the Company has conveyed or will convey to the Agency a leasehold interest in and to the Premises for the purpose of undertaking and completing the Project. The Company hereby represents and warrants that it has a good and

valid fee simple title to the Premises, and its interest is free and clear from all Liens except for Permitted Encumbrances. The Company hereby agrees that the Company will defend (with counsel selected by the Agency), indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto or due to any defect in the leasehold interest granted to the Agency pursuant to the Company Lease.

(B) The Company and the Agency acknowledge that the Project Facility and the leasehold interest therein conveyed to the Agency from the Company and subleased by the Agency back to the Company are not "property" as defined in Title 5-A of the Public Authorities Law of the State because such property and the interests therein are security for the Company's obligations to the Agency under this Agency Lease and the other Transaction Documents, including, without limitation, (i) the Company's obligation to acquire, construct, install, equip and maintain the Project Facility on behalf of the Agency, and (ii) the performance by the Company to the Agency of the Company's other obligations under this Agency Lease and the other Transaction Documents.

SECTION 3.2 USE OF PROJECT FACILITY.

Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or to continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, further, however, that at no time shall any such use be other than by the Company as a restaurant and meeting center, together with uses incidental thereto, except with the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or permit or suffer the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use that constitutes a nuisance, public or private, or (4) for any use that makes void or voidable any insurance then in force with respect thereto, or (5) by any tenant, subtenant, user or occupant whose use, occupancy or operation of the Project Facility would be in violation of Applicable Laws. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by the Company or the Tenants (as applicable). Any provision of this Agency Lease to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

Nothing in this Section shall constitute an authorization by the Agency for the Company to lease, license, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof, except in accordance with Section 9.3 of this Agency Lease.

SECTION 3.3 RESERVED

SECTION 3.4 NON-MERGER. During the term of this Agency Lease, there shall be no merger of this Agency Lease or the Company Lease nor of the leasehold estate created by the Company Lease or the subleasehold estate created by this Agency Lease with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly,

(1) this Agency Lease or the Company Lease or the subleasehold estate created by this Agency Lease or the leasehold estate created by the Company Lease or any interest in this Agency Lease or the Company Lease or in any such leasehold or subleasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Agency Lease or the Company Lease or the subleasehold estate created by this Agency Lease or the leasehold estate created by the Company Lease and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5 TITLE INSURANCE. On or prior to the Closing Date, the Company will obtain and deliver to the Agency, in form, amount and substance satisfactory to the Agency, (a) an owner's title insurance policy (the "Title Policy") insuring the Agency's leasehold interest in the Premises against loss as a result of defects in title, subject only to Permitted Encumbrances, (b) a mortgagee title insurance policy insuring the Company's mortgage interest in the Premises against loss as a result of defects in title, subject only to Permitted Encumbrances, and (c) a current survey of the Premises certified to the Agency, the Company and the title insurance company issuing the Title Policy. Any proceeds of the Title Policy shall be paid to the Company and applied by the Company to remedy the applicable defect in title. If not so capable of being applied or if a balance remains after such application, the Net Proceeds or the remaining balance of the Net Proceeds, as the case may be, shall be applied to the payment of any sums due the Agency under this Agency Lease or under any other Transaction Document, and any balance thereafter may be used by the Company for any lawful company purpose.

ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1 ACQUISITION, CONSTRUCTION, INSTALLATION AND EQUIPPING OF THE PROJECT FACILITY.

(A) The Company shall, on behalf of the Agency, promptly acquire the Project Facility, or cause the acquisition of the Project Facility. The Company shall not, at any time during the term of this Agency Lease, construct any new structure on the Land (other than the Building) or construct an addition to or otherwise increase the useable square footage of the Building or otherwise construct any additional improvements on the Land without the prior written consent of the Agency.

(B) Reserved

(C) Reserved.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the

Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) of this Agency Lease.

(E) The Agency hereby appoints the Company, and the Company hereby accepts such appointment, as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Transaction Documents: (1) to acquire, construct, install and equip the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be required or proper, all for the acquisition, construction, installation and equipping of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to Section 4.1(H) of this Agency Lease, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, installation and equipping of the Project Facility from funds made available therefor in accordance with this Agency Lease, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt, writing or instruction in connection with the acquisition, construction, installation and equipping of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices and has complied and will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents, attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) The Company shall not take any action, or neglect to take any action, including, without limitation, the employment of any contractor, if such action or inaction would result in jurisdictional disputes or strikes or labor disharmony in connection with the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. A leasehold interest in portions of the Project Facility acquired, constructed and installed at the Company's cost shall immediately upon such acquisition, construction or installation vest in the Agency, subject to Permitted Encumbrances. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's interest in and to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Agency Lease.

(J) Reserved.

(K) The Company shall furnish to the Agency all information and/or documentation requested by the Agency pursuant to this Section 4.1 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 4.1.

SECTION 4.2 COMPLETION OF THE PROJECT FACILITY; FEES.

(A) The parties hereto agree that the Project Facility is “complete” and that there are no immediate plans for construction occurring thereon. Therefore, the date hereof shall be considered the Completion Date for the Project Facility. Notwithstanding the foregoing, the Company is required under Section 4.1(A) to provide notice to, and receive permission from, the Agency before consummating any construction on the Land.

(B) The Company shall pay within the time periods required by applicable Governmental Authorities, all construction related and other fees for the Project, including, without limitation, building permit fees, plumbing fixture permit fees, recreation fees, site planning fees, municipal consultant review fees, special use fees, variance fees, sewer hookup fees, water service installation fees and fire line fees, if any.

SECTION 4.3 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of

a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, construction, installation and equipping of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, which consent shall not be unreasonably withheld, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company’s sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility then to pay all reasonable costs and expenses incurred by the Agency in connection therewith, and thereafter be paid to the Company for its own use.

SECTION 4.4 PURPOSE OF THE PROJECT.

It is understood and agreed by the Agency and the Company that the purposes of the granting of the Financial Assistance are to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project Facility to advance the job opportunities, health, general prosperity and economic welfare of the people of the County and the State, to improve their prosperity and standard of living, and

to prevent unemployment and economic deterioration, and to otherwise accomplish the purposes of the Act.

ARTICLE V
DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS
AND OTHER AMOUNTS PAYABLE

SECTION 5.1 SUBLEASE OF THE PROJECT
FACILITY FROM THE AGENCY TO THE COMPANY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and sublease to the Company, and the Company hereby agrees to rent and sublease from the Agency, a subleasehold interest in the Project Facility, subject only to the Permitted Encumbrances.

SECTION 5.2 DURATION OF THE LEASE TERM;
QUIET ENJOYMENT.

(A) The Agency shall deliver to the Company possession of the Project Facility, subject to the provisions of this Agency Lease, and the subleasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Provided that all amounts, costs and expenses payable by the Company to the Agency under this Agency Lease and all other Transaction Documents are paid in full, the subleasehold estate created hereby shall terminate at 12:00 a.m. on the earlier to occur of (1) January 31, 2028 (the "Stated Expiration Date"), or (2) the date that this Agency Lease shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X or Article XI of this Agency Lease, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Agency Lease and will, at the request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3 RENTAL PAYMENTS AND OTHER
AMOUNTS PAYABLE.

(A) The Company shall pay on the date of execution and delivery of this Agency Lease, as the basic sublease payments due hereunder: (1) the sum of \$1.00, (2) all reasonable fees and expenses of counsel to the Agency and Special Counsel to date with respect to the Project, and (3) all other actual costs and expenses incurred by the Agency in connection with the transactions contemplated by this Agency Lease and the other Transaction Documents.

(B) The Company will not be charged an Agency fee for this transaction. The Company agrees to pay to the Agency the Agency's Special Counsel fee with respect to the Project as billed to the Company prior to closing (the "Special Counsel Fee"). The Special

Counsel Fee is due and payable by the Company to the Agency on the Closing Date. The Special Counsel Fee is non-refundable and is deemed earned in full upon the execution and delivery of this Agency Lease.

(C) Within ten (10) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable costs and expenses of the Agency and the officers, members, agents, attorneys, servants and employees thereof, past, present and future, incurred by reason of the Agency's ownership, leasing, subleasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Agency Lease or any of the other Transaction Documents, and any other reasonable fee or expense of the Agency with respect to the Project Facility, the leasing, subleasing or sale of the Project Facility to the Company, the sub-subleasing of portions of the Project Facility to the Sublessees, the payment of which is not otherwise provided for under this Agency Lease.

(D) The Company agrees to make the above-mentioned payments in immediately available funds, without any further notice or demand, by wire transfer or other form of payment satisfactory to the Agency, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate, from the date on which such payment was due until the date on which such payment is received by the Agency.

SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER.

(A) The obligations of the Company to make the payments required by this Agency Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Agency Lease, or terminate this Agency Lease (except as set forth in Section 11.1 hereof), for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Agency Lease.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part expressly contained in this Agency Lease, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to

compel performance or recover damages for non-performance (subject to the provisions of Section 12.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company), servants or employees, past, present and future, of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Agency Lease, the relationship of the Agency and the Company hereunder or the Company's use and occupancy to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5 GRANT OF SECURITY

INTEREST. This Lease shall constitute a "security agreement", as such term is defined in the Uniform Commercial Code adopted in the State, as the same may from time to time be in effect (the "UCC"). The Company hereby grants the Agency a first-priority security interest in all of the right, title and interest of the Company in the materials, machinery, equipment, trade fixtures, fixtures, furniture, furnishings and other tangible personal property acquired by or on behalf of the Company using any sub-agent agency agreement, and in all additions and accessions thereto, all replacements and substitutions therefor, all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds and products thereof (collectively, the "Collateral"), as security for payment of the rental payments and all other payments and obligations of the Company hereunder, and the Agency is authorized to file financing statements with respect to such Collateral without the Company executing the same. If an Event of Default shall occur under this Agency Lease or any other Transaction Document, the Agency shall have, in addition to any and all other rights and remedies set forth in this Agency Lease, and may exercise without demand, any and all rights and remedies granted to a secured party under the UCC, including, but not limited to, the right to take possession of the equipment and any fixtures or other personal property that constitute part of the Collateral, and the right to advertise and sell the same, or any part thereof, pursuant to and in accordance with the UCC. The Company agrees that any notice of public or private sale with respect to such Collateral, or any part thereof, shall constitute reasonable notice if it is sent to the Company not less than ten (10) days prior to the date of any such sale. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute, deliver and/or file any instruments or statements necessary or convenient to perfect and continue the security interest granted herein.

SECTION 5.6 SUBLEASE. The Company covenants and agrees to enforce the Lease Agreements in accordance with their respective terms as is commercially reasonable for the benefit of the Agency.

(A) In order to further secure the payment and performance of the obligations of the Company under this Agency Lease and the other Transaction Documents, the Company does hereby collaterally assign, transfer and set over to the Agency all of the Company's right, title and interest in and to the Sublease Agreements, including all sublease rentals, revenues and receipts therefrom, and the right to enforce all of the Company's rights and remedies thereunder.

(B) In the exercise of the powers herein granted, no liability shall be asserted or enforced against the Agency, all such liability being hereby expressly waived and released by the Company. The Agency shall not be obligated to perform or discharge any obligation, duty or liability under any Sublease Agreement, or under or by reason of this assignment.

ARTICLE VI
MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1 MAINTENANCE AND
MODIFICATIONS OF THE PROJECT FACILITY.

(A) The Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Agency Lease, (3) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, and (6) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility, the Company Lease or this Agency Lease, except for Permitted Encumbrances. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) not be in monetary default under this Agency Lease or under any of the other Transaction Documents beyond applicable notice and cure periods;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such alteration, modification or improvement to the Project Facility, detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for (a) nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$50,000.00 in value, and (b) non-structural modifications or improvements, without limitation as to amount, performed in connection with customary and reasonable initial tenant improvements;

(6) as a result of such alterations, modifications or improvements, neither the usefulness, structural integrity nor operating efficiency of the Project Facility would be materially impaired in the reasonable judgment of the Agency;

(7) if the cost of such alterations, modifications or improvements is estimated to exceed \$50,000, such alterations, modifications or improvements shall be conducted only after the Company shall have furnished to the Agency a labor and materials payment bond, or other security, naming the Agency as dual obligee and otherwise in form and substance satisfactory to the Agency; provided, however, that such bond or other security need not be furnished to the Agency in connection with (a) customary and reasonable initial tenant improvements, and (b) the initial construction, installation and equipping of the Project Facility;

(8) the Agency receives reasonably satisfactory evidence that such alterations, modifications and alterations do not change the nature of the Project Facility such that it would not comply with the terms of this Agency Lease or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(9) if such alterations, modifications or improvements involve an addition to the Project Facility or would otherwise result, but for the Agency's interest in the Project Facility, in an increase in the assessed value of the Premises, then the Agency may require an increase in the Agency Fee and/or the sums payable under the PILOT Agreement, if any;

(10) no such alterations, modifications or improvements shall be entitled to any "financial assistance" (as such quoted term is defined in the Act) from the Agency unless agreed to in writing by the Agency; and

(11) an Event of Default shall not have occurred and be continuing under this Agency Lease or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey title to or a leasehold interest in such property, as the case may be, to the Agency, free and clear of all liens, charges, encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Agency Lease.

(C) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the operation of the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith.

(D) Any provision of this Agency Lease to the contrary notwithstanding, the Company shall not construct any new building or structure on the Land (other than the Building) or any addition to any existing building on the Land, without the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion.

SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company shall pay as the same respectively become due: (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility (other than those taxes for which payments in lieu thereof are being paid pursuant to the PILOT Agreement), (2) all utility and other charges, including "service charges" and deposits, incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, and (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Agency Lease.

(B) If the Company fails to pay any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.1, together with interest thereon from the date of payment at the Default Interest Rate.

(C) Notwithstanding the provisions of this Section 6.2, the Company may withhold any such payment and the Company may in good faith actively contest the amount, validity or the applicability of any payment referred to in such subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond applicable notice and cure periods, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3 INSURANCE REQUIRED. During the term of this Agency Lease, the Company shall maintain insurance with respect to the Project Facility against such risks and liabilities and for such amounts as are, in the Agency's reasonable judgment, customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) Insurance protecting the interests of the Company, as insured and the Agency, as loss payee, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils embraced by a so-called "Special Form" policy of property insurance, in amounts sufficient to prevent the Company and the Agency from becoming a co-insurer under such policy and not less than 100% of the replacement cost of the Project Facility, without deduction for depreciation, and including coverage against acts of terrorism. Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain "Special Form" property insurance in the form of a "Builder's Risk" completed value non-reporting policy in an amount satisfactory to the Agency and which shall contain a provision granting the insured permission to complete and/or occupy.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction, installation and equipping of the Project Facility.

(C) Commercial general liability insurance protecting the Company, as insured and the Agency, as an additional insured, against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.1 of this Agency Lease), or arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000.00 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000.00 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law.

(D) During any period of construction, renovation, improvement or reconstruction, to the extent not covered by the general liability insurance set forth in Subsection (C) above, Owners & Contractors Liability insurance for the benefit of the Company and the Agency in a minimum amount of \$2,000,000.00 aggregate coverage for personal injury and property damage.

(E) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus, insuring risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar enterprises.

(F) A policy or policies of flood insurance in an amount not less than the maximum amount of flood insurance available with respect to the Project Facility under the Flood Disaster Protection Act of 1973, as amended. The requirements of this Subsection (F) shall be waived upon presentation of evidence satisfactory to the Agency that no portion of the Project Facility is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(G) Such other insurance in such amounts and against such insurable hazards and risks as the Agency from time to time may reasonably require, including, without limitation, environmental hazard and liability insurance.

SECTION 6.4 ADDITIONAL PROVISIONS
RESPECTING INSURANCE. All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having an A.M. Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged and shall provide that such insurance shall be without any right of contribution from any other insurance carried by the Agency. All policies evidencing such insurance shall name the Company, as named insured, and the Agency as an additional insured, with respect to liability policies, and name the Agency as loss payee with respect to casualty policies, and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage reasonably satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 hereof. At least fifteen (15) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agency Lease.

(A) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate.

(B) In the event of construction, reconstruction, improvement or renovation of any part of the Project Facility, the Company shall require its contractors and subcontractors, if any, to name the Agency as an additional insured on liability policies carried by such contractors or subcontractors with respect to their operations at the Premises or with respect to the Project.

(C) Any such insurance policies may be furnished under a so-called "master" or "blanket" policy covering locations other than the Project Facility; provided, however, that if casualty coverage for the Project Facility is provided under a master or blanket policy, such policy must contain an agreed amount endorsement evidencing that such coverage is in an amount sufficient to insure the full replacement cost of the Project Facility.

SECTION 6.5 THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST IN THE PROJECT FACILITY.

SECTION 6.6 RESERVED.

SECTION 6.7 APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows (A) the Net Proceeds of the insurance required by Sections 6.3(A) and 6.3(E) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Sections 6.3(B), 6.3(C) and 6.3(D) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.8 PAYMENTS IN LIEU OF TAXES.

(A) It is recognized that, under the provisions of the Act, the Agency is not required to pay certain taxes or assessments upon the Property acquired by it or under its jurisdiction, control or supervision or upon its activities as more particularly set forth in Section 874 of the Act. It is the intention of the parties hereto that the Project Facility be treated as exempt from real property taxation to the extent set forth in the PILOT Agreement, a copy of which is attached hereto as Exhibit E. Accordingly, the parties hereto acknowledge that the Agency shall file New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to the Project Facility. The Company hereby consents to any enforcement action provided to the Taxing Entities pursuant to law in the event that the Company should fail to pay any taxes not exempted as aforesaid and shall not object to any such enforcement action on the grounds that a leasehold interest in the Project Facility is

held by the Agency or that the Project Facility is under the Agency's jurisdiction, control or supervision or subject to its activities.

(B) The Agency and the Company hereby agree that the Company shall be required to make or cause to be made payments in lieu of taxes to the school districts, cities, towns, county, villages and other political unit(s) wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities"), in such amounts and at such times as are required by the PILOT Agreement.

(C) Within thirty (30) days after receipt of written request therefore, the Company shall deliver to the Agency official receipts of the Taxing Entities or other proof reasonably satisfactory to the Agency evidencing payment of any amount that the Company is required to pay under the PILOT Agreement.

ARTICLE VII DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1 DAMAGE OR DESTRUCTION.

(A) If the Project Facility becomes damaged or destroyed, in whole or in part at any time during the duration of this Agency Lease:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or the PILOT Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b) (1) the Agency shall make available to the Company (solely from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and, in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company, if any, are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement, if any,

remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Agency Lease. In such event, subject to the provisions of Section 6.7 of this Agency Lease, the Net Proceeds collected by the Agency under any and all policies of insurance covering the damage to or destruction of the Project Facility, after deducting the amount necessary to repay the Indebtedness, shall be paid to the Company for its own purposes. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to repay the Indebtedness in full.

(C) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3 hereof.

(D) The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any laws of like import, now or hereafter in effect.

SECTION 7.2 CONDEMNATION. To the best of the Company's knowledge, no Condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility or the Agency's or the Company's interest therein or in the Company Lease or this Agency Lease.

(A) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility, or any part thereof;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Agency Lease or the PILOT Agreement (whether or not the Project Facility is restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.1, (a) the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the

Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) subject to the provisions of Section 6.7 of this Agency Lease, the Agency shall make available to the Company (solely from the Net Proceeds of any Condemnation award, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award remaining on deposit with the Agency, if any, after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (B) of Section 7.1, the Company shall not be obligated to restore the Project Facility and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) (4) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Agency Lease. In such event, subject to the provisions of Section 6.7 of this Agency Lease, the Net Proceeds of any Condemnation award collected by the Agency, if any, after deducting the amount necessary to repay the Indebtedness, shall be paid over to the Company for its own purposes. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be repaid in full.

(C) Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof or any interest therein or in the Company Lease or this Agency Lease and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any Condemnation proceedings and, within seven (7) days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(D) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company, which consent shall not be unreasonably withheld or delayed.

SECTION 7.3 ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Section 7.1, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein and shall be subject to this Agency Lease.

ARTICLE VIII
SPECIAL COVENANTS

SECTION 8.1 NO WARRANTY OF CONDITION OR SUITABILITY BY THE AGENCY; ACCEPTANCE "AS IS". THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE PROJECT FACILITY OR ANY PART THEREOF OR AS TO THE SUITABILITY OF THE PROJECT FACILITY OR ANY PART THEREOF FOR THE COMPANY'S PURPOSES OR NEEDS. THE COMPANY SHALL ACCEPT THE PROJECT FACILITY "AS IS", WITHOUT RECOURSE OF ANY NATURE AGAINST THE AGENCY FOR ANY CONDITION NOW OR HEREAFTER EXISTING. NO WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY IS MADE. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE, WHETHER PATENT OR LATENT, THE AGENCY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO.

SECTION 8.2 HOLD HARMLESS PROVISIONS.

(A) The Company hereby releases the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, from, agrees that the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, shall not be liable for and agrees to indemnify, defend (with counsel selected by the Agency) and hold the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from and against any and all claims, causes of action, judgments, liabilities, damages, losses, costs and expenses arising directly or indirectly as a result of the Agency's undertaking the Project, including, but not limited to: (1) liability for loss or damage to Property or bodily injury to or death of any and all Persons that may be occasioned, directly or indirectly, by any cause whatsoever pertaining to the Project or the Project Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Project Facility, (2) liability arising from or expense incurred by the Agency's acquiring, improving, equipping, installing, owning, leasing, subleasing, sub-subleasing or selling the Project Facility or arising from or incurred based on the Agency's involvement in the Project Facility, including, without limiting the generality of the foregoing, (i) all liabilities or claims arising as a result of the Agency's obligations under this Agency Lease or any of the other Transaction Documents or the enforcement of or defense of validity of any provision of any of the Transaction Documents, and (ii) all liabilities or claims arising as a result of the Agency's involvement in the Project or the granting of the Financial Assistance, (3) all liabilities and expenses arising from the failure or alleged failure of the Project Facility, the Company or the Company's members, officers, agents, attorneys, servants or employees to comply with Applicable Laws, including, without limitation, any claim that the Agency aided or abetted in such failure or alleged failure to comply with Applicable Laws, (4) all claims arising from the exercise by the Company of the authority conferred on it pursuant to Section 4.1(E) of this Agency Lease, and (5) all causes of action and attorneys' fees and other expenses incurred in connection with any suits or actions which may arise as a result of any of the foregoing; provided that such claims, causes of action, judgments, liabilities, damages, losses, costs or expenses of

the Agency are not incurred or do not result from the intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(B) In the event of any claim against the Agency or its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure its liabilities assumed pursuant to this Section 8.2 in the liability policies required by Section 6.3 of this Agency Lease.

(D) Notwithstanding any other provisions of this Agency Lease, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination or expiration of this Agency Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency or its members, agents (other than the Company), attorneys, servants or employees, past, present or future, relating thereto.

SECTION 8.3 RIGHT OF ACCESS TO THE
PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable notice to enter upon and to examine and inspect the Project Facility; provided, however, that no such notice shall be required in the event of an emergency or if an Event of Default has occurred and is continuing under this Agency Lease. The Company further agrees that the Agency shall have such rights of access to the Project Facility (subject to the provisions of the immediately preceding sentence of this Section) as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder, but the exercise of such right shall in no event be construed to mean that the Agency has assumed any obligation hereunder to perform such maintenance.

SECTION 8.4 COMPANY NOT TO TERMINATE
EXISTENCE OR DISPOSE OF ASSETS. The Company agrees that, during the term of this Agency Lease, it (A) will maintain its D/B/A existence as in effect on the Closing Date, (B) will not dissolve or otherwise dispose of all or substantially all of its assets, and (C) will not consolidate with or merge into another corporation or other Person, or permit one or more corporations or other Persons to consolidate with or merge into it, without giving prior written notice to the Agency and obtaining the consent of the Agency. The

Company agrees that it will not change its name or its state of organization without giving prior written notice to the Agency and obtaining the consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 8.5 AGREEMENT TO PROVIDE
INFORMATION. The Company agrees, whenever reasonably requested by the Agency, to promptly provide and certify or cause to be provided and certified such information concerning the Project Facility, the Company, and/or the Company's finances, operations and affairs and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by Applicable Laws or other governmental regulation or to ensure compliance with the provisions of this Agency Lease and the other Transaction Documents.

SECTION 8.6 BOOKS OF RECORD AND
ACCOUNT; COMPLIANCE CERTIFICATES.

(A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) Within thirty (30) days after the end of each fiscal year of the Company, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder or under any other Transaction Document has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto. The Company represents to the Agency that the Company's fiscal year ends on December 31st.

SECTION 8.7 COMPLIANCE WITH APPLICABLE
LAWS.

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Agency Lease, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond any applicable notice or cure period, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and (6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency or on any funds of the Agency applicable to or deriving from the Project Facility.

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency or against any funds of the Agency applicable to or deriving from the Project Facility, the Company, immediately upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and take all action (including, without limitation, the payment of money and/or securing of a bond) at its own cost and expense as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.9 PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but shall not be obligated to, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate.

SECTION 8.10 DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11 EMPLOYMENT OPPORTUNITIES.

(A) The Company shall ensure that all employees and applicants for employment by the Company with regard to the Project, including, without limitation, the employees of and applicants for employment with the Company, or any of its Affiliates, are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities with the Company and created as a result of the Project with the New York State Department of Labor, Community Services Division (the "NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) (including any successor statute thereto, including without limitation, the Workforce Investment Act of 1998 (P.L. No. 105-270), collectively, the "JTPA") in which the Project Facility is located, and (2) where practicable, to first consider and to cause to be first considered for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Agency Lease, an employment plan, in form and substance reasonably satisfactory to the Agency.

(D) The Company agrees to file with the Agency, on a calendar year basis not later than February 11 of each year during the term of this Agency Lease, measured as of December 31st of the immediately preceding calendar year, reports (i) enumerating the full-time equivalent jobs retained and the full time equivalent jobs created as a result of the granting of the Financial Assistance, by category, including full-time equivalent independent contractors and employees of independent contractors that work at the Project Facility, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that were set forth in the Application are then still accurate or, if not then still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Said annual reports shall be in substantially the form promulgated from time to time by the Agency. The current forms of reports are annexed hereto as Exhibit D. The Company shall provide such annual reports (and supporting documentation) and shall cause its Affiliates, tenants, occupants, operators, contractors and agents to provide such reports (and supporting documentation) with respect to their respective employees, if any, at the Project Facility. The Agency shall have the right, at the Company's expense, to audit, confirm and/or require additional information with regard thereto and the Company agrees to cooperate with the Agency in connection therewith.

(E) The Company shall, at all times during the term of this Agency Lease, use commercially reasonable efforts to maintain the Minimum Employment Requirement.

(F) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, the Company agrees to list or cause to be listed all new employment opportunities with the Company and created as a result of the Project on the

County Jobs website or other website designated by the Agency from time to time, provided that such listing shall be at no cost to the Company.

(G) Subject to (i) collective bargaining contracts or agreements and other existing contracts or agreements to which the Company is a party or by which the Company is bound and (ii) compliance with Applicable Laws, the Company agrees that to the greatest extent possible all employment opportunities should be provided to residents of the County first.

The Company represents to the Agency that the Company's fiscal year ends on December 31st.

(D) Trading with the Enemy. The Company is not engaged, nor does it intend to engage, in any business or activity prohibited by the Trading with the Enemy Act.

(E) OFAC and Patriot Act. The Company represents, warrants, covenants and agrees as follows: (i) the Company, its directors, officers, members, shareholders and Affiliates are in compliance with all Anti-Terrorism Laws; (ii) the Company shall immediately notify the Agency if it obtains knowledge that it or any of its Affiliates has become or been listed as a Restricted Party or has been charged with or has engaged in any violation of any Anti-Terrorism Law; (iii) the Company shall not to receive any funds from a Restricted Party and, in any case, exclude any funds derived from any Restricted Party or from any person or entity involved in the violation of any Anti-Terrorism Law from being used to pay the Indebtedness or any part thereof; (iv) the Company shall not to transfer or permit the transfer of any legal or beneficial ownership interest of any kind in the Company to a Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; (v) the Company shall not to acquire, directly or indirectly, ownership interest of any kind in any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law, (vi) the Company shall not to form any partnership or joint venture or conduct any business with any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law, (vii) the Company shall not to act, directly or indirectly, as the agent or representative of any Restricted Party or any person or entity involved in the violation of any Anti-Terrorism Law; and (viii) the Company shall indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency from and against any costs incurred by the Agency, and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, as a result of any violation of an Anti-Terrorism Law by the Company or any of its directors, officers, members, shareholders or Affiliates.

ARTICLE IX ASSIGNMENTS; LEASING; MERGER OF THE AGENCY

SECTION 9.1 ASSIGNMENT OF THIS LEASE.

This Lease may not be sold, assigned or otherwise transferred by the Company, in whole or in part, without the prior written consent of the Agency, which consent may be granted or

withheld in the Agency's sole and absolute discretion, and shall in all events be subject to and conditioned upon the payment of the then-standard fees of the Agency and the satisfaction of all requirements of the Act. Any such sale, assignment or transfer made by the Company without the prior written consent of the Agency as aforesaid shall be null and void. Any such sale, assignment or transfer consented to by the Agency shall be made pursuant to documentation satisfactory to the Agency. The Company shall pay all reasonable and customary fees and expenses incurred by the Agency in connection with such sale, assignment or transfer.

SECTION 9.2 MERGER OF THE AGENCY.

(A) Nothing contained in this Agency Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder and under the other Transaction Documents; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Agency Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Agency Lease shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY.

(A) The Company shall not lease, sublease, sub-sublease, license or otherwise permit others to use or occupy the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion, except for leases, subleases, sub-subleases and other occupancy arrangements as set forth in Subsection (B) of this Section 9.3, if any; provided, however, in each case (1) the Company shall remain liable to the Agency for the payment of all rent and for the full performance of all of the terms, covenants and conditions of this Agency Lease, and (2) any approved Sublease Agreement will not diminish or impair the obligation of the Company to carry the insurance required under Article VI hereof, and that such insurance coverage shall in no manner be limited by such Sublease Agreement

(B) (1) The Company shall not, without the prior written consent of the Agency, which consent may be withheld in the reasonable discretion of the Agency, lease, sublease, license or permit others to occupy the Project Facility, or any portion thereof, in any manner that would cause (i) the removal of a facility or plant of the tenant or occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such tenant or occupant located within the State, or (ii) the Project Facility not to constitute a "project", as such quoted term is defined in the Act, or (iii) the Project Facility, in

the reasonable judgment of the Agency, to be in disrepute as a public project, or (iv) the Project Facility or any part thereof to be leased, subleased or occupied by a Prohibited Person or an Affiliate of a Prohibited Person, or (v) the Project Facility or the operation thereof to be in violation of any Applicable Law, or (vi) funds of the Agency to be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, or (vii) the Project Facility to constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project Facility. The Company shall include or cause to be included restrictions substantially the same as those set forth in the immediately preceding sentence in all Sublease Agreements. Except as prohibited above, the Company may lease, sublease or permit the occupancy of all or any portion of the Project Facility without the Agency's prior consent, pursuant to a commercially reasonable lease agreement that establishes a landlord-tenant relationship between the Company and the Sublessee, which form of lease agreement shall be in form and substance satisfactory to the Agency. The Company shall not license or otherwise permit the occupancy of all or any portion of the Project Facility pursuant to an agreement that does not establish a landlord-tenant relationship.

(2) Within thirty (30) days after the end of each fiscal year, the Company shall deliver to the Agency a current rent roll and a certificate, (i) listing all Sublease Agreements entered into with respect to the Project Facility, or any part thereof, during the immediately preceding fiscal year, including, without limitation, the name of the tenant or occupant, the square footage of the space, the rental and other consideration for such Sublease Agreement, and such other information as the Agency may reasonably require from time to time, and (ii) certifying that such Sublease Agreements do not and shall not result in a violation of the terms of this Agency Lease or any other Transaction Document.

(C) Subject to Subsection (D) of this Agency Lease, the Company shall not sell, transfer, convey or otherwise dispose of its fee simple interest in the Project Facility without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion.

(D) Notwithstanding anything to the contrary contained in this Section 9.3, in any instance where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency but, upon reasonable prior notice to the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with items of similar quality and value as the items replaced as of the date of original installation of the replaced items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments reasonably necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Transaction Documents. The Company shall pay all reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in transferring title to and releasing from the Liens of the Transaction Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X
EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1 EVENTS OF DEFAULT DEFINED.

(A) The following shall be “Events of Default” under this Agency Lease, and the terms “Event of Default” or “default” shall mean, whenever they are used in this Agency Lease, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of any amount due under this Agency Lease or under any other Transaction Document, and the continuance thereof for a period of ten (10) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any covenant, condition or agreement on the part of the Company in this Agency Lease (other than as set forth in subsection (1) above or in any other subsection of this Section 10.1(A)) and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the cure to completion with due diligence.

(3) The occurrence of an “Event of Default” under any other Transaction Document.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(5) The Company shall conceal, remove or permit to be concealed or removed any part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within ten (10) days from the date thereof.

bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within thirty (30) days of such appointment.

(7) If any interest in the Company shall be sold, assigned, transferred, conveyed, mortgaged, pledged, hypothecated or alienated, or if any member or shareholder of the Company enters into an agreement or contract to do so, without the prior written consent of the Agency.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance and the failure of the Company to remove such Lien, whether by the payment of money, the securing of a bond or otherwise, within fifteen (15) days after the Company receives notice or becomes aware of such imposition.

(9) The removal of the Project Facility, or any portion thereof, outside the County, without the prior written consent of the Agency, other than in connection with a removal permitted under Section 9.3(D) of this Agency Lease.

(10) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts therein set forth were made, or to have omitted any material liability or claim against the Company, as the case may be.

(11) If the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws), and the Company is unable to comply with such Environmental Laws within twenty (20) days of the notification or discovery of such violation or complete all appropriate and lawful remedial containment and clean-up action within twenty (20) days of the notification or discovery of the existence of such Hazardous Materials.

(12) Any loss or impairment of the Agency's interest in and to the Project Facility, or any part thereof.

(13) The Company or any Affiliate of any of the foregoing or any director, member, manager, officer or shareholder of the Company shall become a Prohibited Person.

(14) Any assignment of this Agency Lease or the Company Lease, in whole or in part, or any letting or sub-subletting of the Project Facility, or any portion thereof, in violation of the terms of this Agency Lease.

(15) An Event of Default shall occur under the Company Lease or under any other Permitted Encumbrance.

(16) RESERVED.

(17) The Company defaults under or attempts to withdraw, rerate, cancel or disclaim liability under any guaranty or indemnity made by such party in favor of the Agency, including, without limitation the Environmental Indemnification.

(18) If the Company fails to maintain the Minimum Employment Requirement at any time during the term of this Agency Lease.

(19) Failure by the Company at any time to keep in full force and effect the insurance policies and coverages required by Section 6.3 of this Agency Lease.

(20) Any loss or impairment of the Company's interest in and to the Project Facility, or any part thereof; including but not limited to any defect in, or default or demise of the Company's fee simple interest in the Project Facility.

(B) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Agency Lease and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Agency Lease of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Agency Lease, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 2.2(F), 3.1, 4.1(E), 6.3, 8.1 and 12.9(C) hereof and to comply with the provisions of Sections 2.2(F), 6.5, 8.3, 8.5, 8.6 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

SECTION 10.2 REMEDIES ON DEFAULT.

(A) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent not prohibited by law, take any one or more of the following remedial steps:

(1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Agency

Lease or any of the other Transaction Documents, including, without limitation, any resulting Recapture of Benefits under Section 11.4 of this Agency Lease; or

(2) re-enter and take possession of the Project Facility, enforce or terminate this Agency Lease, sell or assign the Agency's interest in the Project Facility, subject to Permitted Encumbrances, at public or private sale, as a whole or piecemeal, in whole or in part, for such consideration as may be deemed appropriate in the circumstances by the Agency, and hold the Company liable for the amount, if any, by which the aggregate unpaid amounts due hereunder exceed the Net Proceeds received upon such sale, or manage and operate the Project Facility, collect all or any rents accruing therefrom, let or relet the Project Facility or any part thereof for the Agency's own account or the account of the Company, holding the Company liable for payments due up to the effective date of such leasing and for the difference in the rent and other amounts paid by the sublessee pursuant to such lease and the rental payments and other amounts payable by the Company hereunder, cancel or modify leases, evict tenants, bring or defend any suits in connection with the possession of the Project Facility in its own name or in the Company's name, make repairs as the Agency deems appropriate, and perform such other acts in connection with the management, operation or disposition of the Project Facility, or any portion thereof, as the Agency, in its discretion, may deem proper; or

(3) terminate this Agency Lease and/or terminate the Company Lease and/or convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Termination of Lease and/or the Termination of Company Lease as applicable. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such termination and conveyance. The Company hereby waives delivery and acceptance of such termination as a condition to their validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(4) bring an action for damages, injunction or specific performance; or

(5) reserved; or

(6) require the Company to make payments in lieu of real property taxes under the PILOT Agreement in amounts equal to the amounts the Company would otherwise be required to pay if the Company were the owner of the Project Facility (and the Agency did not hold an interest therein); or

(7) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Agency Lease.

(B) No action taken pursuant to this Section 10.2 (including repossession of the Project Facility) shall relieve the Company from its obligations to make all payments required by this Agency Lease and the other Transaction Documents.

SECTION 10.3 REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Agency Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES. In the event the Company should default under any of the provisions of this Agency Lease or any other Transaction Document and the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency such fees and expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI OPTIONS TO TERMINATE

SECTION 11.1 EARLY TERMINATION OF THE LEASE. The Company shall have the option to terminate this Agency Lease at any time prior to the termination date specified in Section 5.2 hereof, by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and setting forth the effective date of such termination, which effective date shall not be less than thirty (30) days after the delivery of the certificate to the Agency. The exercise of the option to terminate pursuant to this Section 11.1 shall constitute a "Recapture Event" (as such term is defined in Section 11.4 hereof). The Company shall not, at any time, assign or transfer its option to terminate this Agency Lease and purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Agency Lease pursuant to Section 9.1 of this Agency Lease without the prior written consent of the Agency.

SECTION 11.2 OBLIGATION TO TERMINATE
THE LEASE.

(A) Contemporaneously with the termination of this Agency Lease in accordance with Section 5.2 or Section 11.1 hereof, the Company shall pay all sums required to be paid to the Agency or any other Person pursuant to this Agency Lease and the other Transaction Documents (including any applicable Recapture of Benefits). The obligation of the Agency under this Section 11.2 to convey its interest in the Project Facility to the Company will be subject to there being Event of Default existing hereunder or under any other Transaction Document, and there being no other event which would, but for the passage of time or the giving of notice, or both, be such an Event of Default.

(B) The termination of this Agency Lease and the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Termination of Company Lease (an unexecuted copy of which is attached hereto as Exhibit B), and (2) the Termination of Lease (an unexecuted copy of which is attached hereto as Exhibit C). The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such termination, including, without limitation, all of the Agency's reasonable costs and expenses in connection therewith (including reasonable attorneys' fees and expenses).

(C) The Company agrees to prepare the Termination of Company Lease and/or the Termination of Lease, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that this Agency Lease is to be terminated and the Agency's interest in the Project Facility or any portion thereof is to be conveyed to the Company. The Company hereby irrevocably appoints and designates the Agency as its attorney-in-fact for the purpose of executing, delivering and/or recording such documents and to take such other and further action as shall be necessary to terminate the Agency's interest in the Project Facility.

(D) This Lease shall survive the transfer of the Project Facility to the Company pursuant to this Section 11.2 and shall remain in full force and effect until ninety-one (91) days after all of the Indebtedness shall have been paid in full, and thereafter the obligations of the Company shall survive as set forth in Section 12.7 hereof.

(E) Upon the payment in full of all Indebtedness, and notwithstanding the survival of certain obligations of the Company as described in Section 12.7 hereof, the Agency shall upon the request of the Company execute and deliver to the Company such documents as the Company may reasonably request, in recordable form if so requested, to evidence the termination and release of all Liens granted to the Agency hereunder.

SECTION 11.3 RESERVED.

SECTION 11.4 RECAPTURE OF AGENCY
BENEFITS.

(A) It is understood and agreed by the parties to this Agency Lease that the Agency is entering into this Agency Lease in order to provide the Financial Assistance to the

Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined), then the Agency at its option may pursue a return of public benefits conferred by the Agency (or waive such a return of public benefits at its sole and complete discretion). Should the Agency elect to pursue a return of public benefits conferred by the Agency as the result of a Recapture Event, the amount of such benefits shall be as follows (such amount, the "Recapture of Benefits"):

(1) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs on or before the second (2nd) anniversary of the Closing Date;

(2) eighty per cent (80%) of the Benefits if the Recapture Event occurs after the second (2nd) anniversary of the Closing Date but on or before the fourth (4th) anniversary of the Closing Date;

(3) sixty per cent (60%) of the Benefits if the Recapture Event occurs after the fourth (4th) anniversary of the Closing Date but on or before the sixth (6th) anniversary of the Closing Date;

(4) forty per cent (40%) of the Benefits if the Recapture Event occurs after the sixth (6th) anniversary of the Closing Date but on or before the eighth (8th) anniversary of the Closing Date;

(5) twenty per cent (20%) of the Benefits if the Recapture Event occurs after the eighth (8th) anniversary of the Closing Date but on or before the tenth (10th) anniversary of the Closing Date;

(6) zero per cent (0%) of the Benefits thereafter.

(B) The term "Benefits" shall mean the Agency's calculation of, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Company during such time as the Agency held an interest in the Project Facility by reason of such interest, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under the PILOT Agreement (through the date that the Project Facility is returned to the tax rolls as taxable property) from those payments which the Company would have been required to pay through such date had the Company been the owner of the Project Facility and the Agency not been involved in the Project and based on the records of the Tax Assessor, and treating any negative result as \$0; and

(2) all miscellaneous benefits derived from the Agency's participation in the transactions contemplated by this Agency Lease, including, but not limited to, any exemption from real property transfer taxes, any exemption from mortgage recording taxes and any exemption from applicable sales and use taxes, provided, however, that the recapture of the value of any exemption from sales and/or use taxes shall be in the full amount of any exemption taken and shall not be subject to the scheduled percentage reduction set forth in Subsection (A) above.

(C) For the purposes of this Section 11.4 the term "Recapture Event" shall mean the occurrence of any of the following events:

- (1) The Company shall have liquidated its operations and/or assets; or
- (2) The Company shall have ceased all or substantially all of its operations at the Project Facility (whether by closure or by relocation to another facility either within or outside of the County); or
- (3) The Company shall have transferred all or substantially all of its employees engaged in the construction, maintenance or operation of the Project Facility to a location outside of the County; or
- (4) The occurrence and continuance of an Event of Default under this Agency Lease or any other Transaction Document; or
- (5) The Company shall have effected a substantial change in the scope and nature of the operations of the Company at the Project Facility without the prior written consent of the Agency; or
- (6) The Company shall have sold, leased, subleased, sub-subleased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility in violation of this Agency Lease; or
- (7) The Company fails to use commercially reasonable efforts to maintain the Minimum Employment Requirement at any time during the term of this Agency Lease; or
- (8) The Application, or documentation in support of the Application, contained a false or misleading statement as to any material fact in the Application or omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect, and such false or misleading statement or omission was made knowingly by the Company.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, or (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company.

(D) The Company covenants and agrees to furnish the Agency with written notification upon the occurrence of any Recapture Event, which notification shall set forth the terms of such Recapture Event.

(E) In the event any payment owing by the Company under this Section 11.4 shall not be paid on demand by the Company, such payment shall bear interest from the date of

such demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

WHEREAS, the Agency proposes to undertake the Project as an authorized project under the Act and to sublease the interest of the Agency to Lessee pursuant to a sublease agreement dated as of the date hereof entered into between the Agency, as sublessor, and Lessee,

as sublessee (as amended, modified, restated or replaced from time to time, the “Agency Lease”);

WHEREAS, under the present provisions of the Act and under the present Section 412-a of the Real Property Tax Law of the State of New York, upon a proper filing, the Agency is required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction or supervision or under its control;

WHEREAS, by resolution adopted by the members of the Agency on February 27, 2018 (the “Authorizing Resolution”), the Agency, following a review of the Report, determined to proceed with the Project, to grant the Financial Assistance (as hereinafter defined) and to enter into the “straight lease transaction” (as such quoted term is defined in the Act) contemplated by this PILOT Agreement and the other Transaction Documents (as defined in the Agency Lease executed on today’s date);

WHEREAS, the Agency owned the Land prior to Lessee’s acquisition of same;

WHEREAS, the Land, under Section 412-a of the Real Property Tax Law, was subject to an exemption from real property taxes due to the Agency’s prior ownership; and

NOW, THEREFORE, in consideration of the premises and the payments, agreements, and covenants hereinafter contained, Lessee and the Agency formally covenant and agree as follows:

Section 1. Tax-Exempt Status of Facility

(a) Application. Lessee shall complete, and the Agency shall endeavor to submit to be filed, an application for tax exemption pursuant to Section 412-a of the Real Property Tax Law. Such application shall be submitted to the assessor of each of the various taxing entities having jurisdiction over the Facility, including without limitation, the County of Chautauqua, the

Town of Busti, and the Panama Central School District (such taxing entities, and any successors thereto, being hereinafter collectively referred to as the "Taxing Entities" and individually, as a "Taxing Entity"). The Facility shall not be entitled to exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the taxable status date of such Taxing Entity occurring subsequent to the Agency becoming the holder of a leasehold estate in the Facility, the filing by the Agency of the appropriate applications for tax exemption, and the receipt of such applications by the appropriate tax assessors.

(b) Reserved.

(c) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Agency Lease, Lessee will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Facility.

(d) Other Charges. If any taxes, assessments, service charges or other governmental charges become payable by the Agency or Lessee on the rents under the Agency Lease or the Company Lease or the occupancy of or any interest of the Agency or Lessee in the Facility or any part thereof or any personal property used in connection with the business conducted and located therein, the amount of any tax, assessment or charges shall be paid by Lessee. Furthermore, water charges, sewer rentals, sewage treatment charges, solid waste charges and any other charges in the nature of utility charges shall be paid directly by Lessee and shall not be credited against nor affect in any manner any payment in lieu of general real estate taxes in any year and shall be computed pursuant to the formula adopted by the relevant Taxing Entity.

Section 2. Payments.

(a) Tax Payments. Prior to the Facility becoming entitled to exempt status as set forth in Section 1(a) above, the applicable real estate tax levies on the Facility shall be payable in full by Lessee to the applicable Taxing Entity.

(b) Reserved.

(c) Pilot Payments. Commencing in 2018, Lessee shall pay to the Agency for the account and benefit of each Taxing Entity during the "Term of the PILOT" (as hereinafter defined) for each Taxing Entity PILOT Payments in an amount equal to (A) the Assessed Value (as hereinafter defined) of the Land as adjusted from time to time; times (B) the tax equalization rate of the applicable Taxing Entities in effect from year-to-year during the Term of the PILOT; times (C) the Effective Percent (as hereinafter defined). The "Term of the PILOT" shall be the date hereof until December 31, 2027, unless earlier terminated as provided herein. If the Term of the PILOT for any Taxing Entity shall have expired while the Term of the PILOT for any other Taxing Entity shall not have expired, Lessee shall pay to the Agency, until the termination of this Agreement, PILOT Payments in an amount equal to the amount of the tax levies which

would be payable to such Taxing Entity if the Facility was listed on the assessment rolls as fully taxable.

For purposes of the foregoing, "Effective Percent" shall mean the applicable percentage from time to time as specified on the attached Schedule B.

(d) Maximum Payment. Notwithstanding anything to the contrary herein, the PILOT Payments shall not exceed the amount Lessee would pay under normal calculations for any period. Hence, if the general real estate tax (calculated as if Lessee were the record owner of the Facility and the Agency held no interest therein, and the Facility were assessed at full value for purposes of taxation) otherwise due any Taxing Entity decreases due to a reduction in tax rates or otherwise below the PILOT Payments specified in Section 2(c) above, then the PILOT Payments due that Taxing Entity shall be decreased to equal the tax that would otherwise be due. If, however, a PILOT Payment has been so reduced, and the taxes that would otherwise be due subsequently increase, the PILOT Payment shall similarly increase, but not in excess of the amount specified in Section 2(c) above. Except as set forth in this paragraph, once the PILOT Payments are calculated in accordance with Section 2(c) above, such PILOT Payments shall not be reduced during the Term of the PILOT, regardless of any reduction in the underlying assessment for the Facility.

(e) Payments to Agency. All PILOT Payments shall be made by Lessee directly to the Agency promptly upon receipt of billings from the Agency. It is understood that the Agency shall receive the PILOT Payments in trust for each of the Taxing Entities, and the Agency shall forward such payments to each such Taxing Entity within thirty (30) days after receipt thereof.

(f) Due Dates; Interest; and Penalties. The Agency will bill Lessee for the respective PILOT Payments as if the Facility were on the tax rolls at the time when taxes for each Taxing Entity are due. All payments are net if paid on or before the due dates listed below. If any PILOT Payment is not made on or before the due date, such payment shall be delinquent and Lessee shall pay, for the benefit of the applicable Taxing Entity, a late charge equal to five percent (5%) of the payment. For each month, or part thereof, that the payment is delinquent beyond the first month, Lessee shall pay an additional late charge equal to one percent (1%) per month of the total amount payable.

As of the date of this Agreement, the due dates for the PILOT Payment are as follows:

County and Town Taxes:	January 30th
School Taxes:	September 30th

(g) Partial Sale; Transferee's Obligation; Apportionment of Reduction to Local Taxing Entities. During the term of this Agreement, in the event that the Agency's interest in any portion of the Land or the Improvements located thereon is sold or disposed of by the Lessee, the transferees thereof will thereafter pay the real property taxes on such Improvements as may be located on the portion of the Land sold and on the portion of the Land sold as may be required by applicable law.

(h) Sale; Lessee's Obligation. In the event that the Agency terminates its interest in and/or transfers the Facility to any party other than Lessee, Lessee's obligation for PILOT Payments shall be prorated to the date of the closing of the transaction and thereupon all obligations of Lessee for PILOT Payments shall cease, but the Agency shall take such steps with the purchaser other than Lessee to assure that each of the Taxing Entities shall suffer no loss of revenue until such Facility can be placed back on the tax rolls and taxes levied and billed therefor.

Section 3. Jobs. Lessee covenants and agrees that it shall, throughout the term of this Agreement, use commercially reasonable efforts to maintain, and preserve, for the Term of this Agreement, the permanent, private sector jobs that currently exist at the Tenants' businesses; forty six (46) full time equivalent positions. The Lessee agrees to deliver to the Agency on each annual anniversary of this Agreement a written report describing its compliance or noncompliance with the provisions of this Section 3 and to permit the Agency to audit the books and records of Lessee supporting such report. The Lessee further agrees that in the event of a departure of any Tenant, it will use commercially reasonable efforts to replace said Tenant in an expedient manner, with selection of a replacement Tenant guided in part by replacement of any jobs lost by the departure of an existing Tenant.

Section 4. Effective Date; Duration of Agreement. This Agreement shall become effective upon the delivery of the Agency Lease and the Company Lease by Lessee and the Agency and shall continue in effect until the earlier of (i) December 31, 2027, or (ii) the date on which the Agency's interest in the Facility is terminated pursuant to the Agency Lease or this Agreement.

Section 5. Events of Default. The following shall constitute "Events of Default" under this Agreement:

(a) failure by Lessee to make any payment specified herein and the continuance of such failure for a period of ten (10) days following written notice from the Agency or any Taxing Entity; and/or

(b) failure by Lessee to comply with or perform any provision of this Agreement other than the payment provisions hereof and the continuance of such failure for a period of thirty (30) days following written notice thereof by the Agency to Lessee; and/or

(c) Reserved; and/or

(d) default in the terms of any Transaction Document (as defined in the Agency Lease) entered into between the Agency and Lessee (beyond any applicable grace period).

Upon the occurrence and continuance of an Event of Default hereunder, Lessee shall be required to make payments in lieu of general real estate taxes levied by the Taxing Entities on the Facility (or those portions of the Facility then exempt) as if it were owned by Lessee and the Agency held no interest therein, such amounts to commence to be paid for the

period subsequent to the date it is determined by the Agency that there is an Event of Default hereunder. In such event, the tax rate, interest and penalties shall be those then in effect in the jurisdiction(s) in which the Facility is (or those portions of the Facility then exempt are) located.

Upon the occurrence and continuance of an Event of Default hereunder, the Agency shall be entitled to sue to enforce any provision of this Agreement and to recover the payments in default from Lessee, together with all the costs and expenses of the Agency, its successors or assigns, paid or incurred in such recovery (including court costs and attorney's fees and expenses) and interest at the rate specified in Section 2(f) above. In addition, the Agency shall have the right to terminate the Agency Lease and the Company Lease at any time.

The Agency, in enforcing payment by Lessee of said amounts, may take whatever action and exercise any or all of the rights and remedies specified in this Agreement or any other remedy provided by law.

Each and every Event of Default shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises. Lessee irrevocably agrees that any suit, action, or other legal proceeding arising out of this Agreement may be brought in the courts of record of the State of New York, or the courts of United States District Court for the Western District of New York, consents to the jurisdiction of each such court in any such suit, action, or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action, or proceeding in any of such courts.

No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient by the Agency.

In no event shall the Agency be liable to any of the Taxing Entities for the payments specified herein, whether or not Lessee makes such payments. Lessee hereby agrees to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency from and against any such liability for such payments and against all penalties, interest, and other charges resulting from the delinquency of such payments.

Section 6. Covenants by the Agency. The Agency covenants that, unless otherwise required by law, the Agency will not enact or adopt any laws, ordinances, rules, or regulations imposing any taxes, assessments, or other charges or payments on the Project or Lessee's subleasehold interest or personal property therein, or its use or occupancy thereof or its gross receipts or income therefore, except as Lessee and the Agency have herein agreed, or may agree from time to time in the future.

Section 7. Notices. All notices, certificates and other communications hereunder shall be in writing and shall be sufficiently given and shall be deemed given, if by delivery, when delivered and, if delivered by mail, on the second day following the day on which mailed by certified mail, postage prepaid, addressed as follows:

Section 9. Independent Agreement. Notwithstanding any other provision of this Agreement, including the recitals hereof, the parties agree that the Agency Lease and Company Lease executed between the parties hereto shall be separate and independent documents from this Agreement, and irrespective of whether any provision of this Agreement or the entirety hereof shall be held invalid or unenforceable by any court of competent jurisdiction, the Agency Lease and the Company Lease shall be construed, interpreted, and otherwise regarded separate and apart from this Agreement. Section 12. Prior Agreements; Counterparts. This Agreement constitutes the entire agreement, and supersedes all prior agreements and understandings, whether written or oral, among the parties with respect to the subject matter hereof and may be executed simultaneously in several counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Section 13. Delivery of Agreement. The Agency agrees to use its best efforts to deliver to each Taxing Entity a copy of this Agreement within fifteen (15) days after its execution by the Agency.

Section 14. Applicable Law. This Agreement shall be governed and construed under the internal laws of the State of New York, as the same may be in effect from time to time, without regard to principles of conflicts of law.
