Resolution No. 03-28-23-06

RESOLUTION TAKING OFFICIAL ACTION TOWARD AND APPROVING THE  
STRAIGHT LEASE DOCUMENTS FOR A CERTAIN PROJECT FOR  
CUMMINS INC. AND/OR ITS AFFILIATES

WHEREAS, the County of Chautauqua Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”) and Chapter 71 of the 1972 Laws of New York, as amended, constituting Section 895-h of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, CUMMINS INC., a corporation duly organized and existing under the laws of the State of Indiana and qualified to do business in the State of New York as a foreign corporation (the “Applicant”), presented an application for financial assistance (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 107.7 acre parcel of land located at 4720 Baker Street, Lakewood, Town of Busti, County of Chautauqua, New York (the “Land”), (2) the renovation of an approximately 120,000 square foot portion of the existing approximately 998,000 square foot building located on the Land (collectively, the “Building”), and (3) the acquisition of certain furniture, fixtures, machinery and equipment necessary for the completion thereof (the “Equipment” and together with the Land and the Building, collectively, the “Project Facility”), all of the foregoing for use by the Applicant and/or its affiliates as a manufacturing facility; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from sales and use taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency; and

WHEREAS, in accordance with Section 859-a of the Act, any approval of the Project is contingent upon, inter alia, a determination by the members of the Agency to proceed with the

Project following a determination by the Agency that (A) the public hearing and notice requirements and other procedural requirements contained in the Act relating to the Project have been satisfied; and (B) the undertaking of the Project by the Agency and the granting of the Financial Assistance are and will be in compliance with all other applicable requirements of the Act, SEQRA (as hereinafter defined), and all other statutes, codes, laws, rules and regulations of any governmental authority having jurisdiction over the Project and/or the Project Facility (collectively, the “Applicable Laws”); and

WHEREAS, the Administrative Director/CEO of the Agency (A) caused notice of a public hearing of the Agency pursuant to Section 859-a of the Act (the “Public Hearing”) to hear all persons interested in the Project and the Financial Assistance contemplated by the Agency with respect to the Project, to be mailed on March 15, 2023 to the chief executive officer of the County of Chautauqua (the “County”) and of each other affected tax jurisdiction within which the Project Facility is or is to be located, and posted a copy of the Application on the Agency’s website; (B) caused notice of the Public Hearing to be published on March 16, 2023 in *The Jamestown Post Journal*, a newspaper of general circulation available to residents of the County; (C) caused the Public Hearing to be conducted on March 27, 2023, at 9:30 a.m., local time, at Town Hall, 125 Chautauqua Avenue, Lakewood, Town of Busti, County of Chautauqua, New York; (D) caused the Public Hearing to be streamed on the Agency’s website in real-time and a recording of the Public Hearing to be posted on the Agency’s website, all in accordance with Section 857 of the Act, as amended; and (E) caused a written report of the Public Hearing to be prepared which fairly summarizes the views presented at the Public Hearing and collected written comments from the public (collectively, the “Report”) and distributed the Report to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”), and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (the “Regulations” and collectively with the SEQR Act, “SEQRA”), the appropriate personnel of the Agency reviewed the environmental assessment form and other materials submitted by the Applicant and made any necessary comments to the members of the Agency, and the Agency determined the Project is a Type II Action pursuant to SEQRA because the Project involves the replacement, rehabilitation and reconstruction of a structure, in kind, on the same site and the footprint of the facility does not exceed any threshold that would make it a Type I Action; and

WHEREAS, the Agency now desires to make its determination to proceed with the Project and to grant the Financial Assistance; and

WHEREAS, the Applicant and/or one (1) or more of its affiliates will (A) execute and deliver a certain Bill of Sale to Agency (the “Bill of Sale”), pursuant to which the Applicant and/or such affiliate(s) will grant to the Agency an interest in the Equipment and any other portion of the Project Facility required to complete the Project; (B) execute and deliver a certain Uniform Project Agreement (the “Project Agreement”), pursuant to which the Agency will grant to the Applicant and/or such affiliate(s) an interest in the Equipment and any other portion of the Project Facility required to complete the Project; and (C) execute and deliver certain other

certificates, documents, instruments and agreements related to the Project (together with the Bill of Sale and the Project Agreement, collectively, the “Transaction Documents”);

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF CHAUTAUQUA INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the Agency’s review of the Environmental Information, the Agency has made the following findings:

(a) The Project is a Type II action under SEQRA, precluded from further environmental review, because it consists of the “replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes,” the “purchase or sale of furnishings, equipment or supplies, including surplus government property” and “reuse of a residential or commercial structure, or of a structure containing mixed residential and commercial uses, where the residential or commercial use is a permitted use under the applicable zoning law or ordinance” in connection with a project and does not meet or exceed any threshold for a Type I action.

(b) More specifically, the Project involves the replacement, rehabilitation or reconstruction of a structure or facility, in kind, because it involves interior renovation and rehabilitation of an existing structure with use and occupancy by a type of use permitted within the zoning district occupied by the Land. The Project will not expand the footprint of the Project Facility nor increase or substantially alter environmental impacts associated with the Land. Finally, the Project includes the acquisition of the Equipment in connection with the above.

Section 2. In accordance with Section 859-a of the Act, the Agency has prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the “Analysis”). The Agency has reviewed the Application, the Report and the Analysis, and, based upon the representations made by the Applicant to the Agency and information obtained by the Agency, the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency hereby makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, and the employment reasonably expected to be created and/or maintained by the Project, and an analysis of how the Project contributes to the realization of the public purposes of promoting employment opportunities in the County and the prevention of economic deterioration in the County, the Project will constitute a commercial facility with a significant impact on the area in which it is situated, and will advance the Agency’s purposes by promoting employment opportunities and preventing economic deterioration in the County. Therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Applicant to undertake the Project in the County;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility, the granting of an interest therein by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other occupant or user of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other occupant or user located within the State (but outside of the County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs, and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the Project does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers;

(h) the granting of the Financial Assistance by the Agency with respect to the Project will encourage and assist the Applicant in undertaking the Project in the County, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their standard of living, and thereby serve the public purposes of the Act; and

(i) the Project will not result in the removal or abandonment of a plant or facility of the Applicant or any other occupant or user of the Project Facility, currently located within the County.

Section 3. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Administrative Director/CEO, Chief Financial Officer and the staff of the Agency with respect to the Application, the Analysis and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP as Counsel to the Agency with respect to all matters in connection with the Project.

Section 4. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 5. Having considered fully all comments received at or in connection with the Public Hearing, including any correspondence received subsequent to the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance. The Agency hereby approves the granting of an exemption from sales and use taxes in the maximum amount of \$3,000,000.

Section 6. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution, but may include adjustments to the Financial Assistance granted hereunder. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 7. The Agency is hereby authorized to (a) acquire an interest in the Equipment and any other portion of the Project Facility required to complete the Project pursuant to the Bill of Sale and the other Transaction Documents, (b) grant an interest in the Equipment and any other portion of the Project Facility required to complete the Project pursuant to the Project Agreement and the other Transaction Documents, (c) grant the Financial Assistance, and (d) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Transaction Documents, in the forms presented to the members of the Agency, together with such changes as the Chairman, the Vice Chairman, the Administrative Director/CEO or the Chief Financial Officer may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman, the Administrative Director/CEO and the Chief Financial Officer are hereby authorized, on behalf of

the Agency, acting together or individually, to execute and deliver the Transaction Documents to which the Agency is a party and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. The Chairman, the Vice Chairman, the Administrative Director/CEO and the Chief Financial Officer of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Project Agreement) of the Agency.

Section 10. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12. The Chairman, the Vice Chairman, the Administrative Director/CEO and the Chief Financial Officer of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 13. This Resolution shall take effect immediately.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:
