ATENDEES: Carol Rasmussen, CCIDA Project Manager

HEARING OFFICER: Good morning. My name is Carol Rasmussen. I am the Project Manager for the County of Chautauqua Industrial Development Agency (hereafter, the "Agency") and I have been directed by the members of the Agency to hold a public hearing. Today is June 14, 2013 and the time is now 9:35 a.m. We are at the Town Hall, 215 S. Work Street, Village of Falconer, Town of Ellicott, County of Chautauqua, New York 14733.

This is a public hearing pursuant to section 859-a of the New York General Municipal Law, as amended. The Agency has received an application for financial assistance in connection with the following matter:

Gren Ventures, LLC, a limited liability company existing under the laws of the State of New York (the "Applicant"), presented an application (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") consisting of the following: (A) (1) the acquisition of an interest in an approximately 1.872 acre parcel of land located adjacent to 1886 Mason Drive, Town of Ellicott, County of Chautauqua, New York (collectively, the "Land"), (2) the construction of an approximately 22,875 square foot building located on the Land (collectively, the "Building"), together with potential driveway, parking, landscaping and related improvements to the Land and (3) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing for use by the Applicant as a recycling and warehousing facility (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes (but not including special assessments and ad valorem levies) (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

Notice of this public hearing was published in *The Post-Journal* on June 5, 2013 and provided to the Chief Executive Officer of each affected tax jurisdiction.

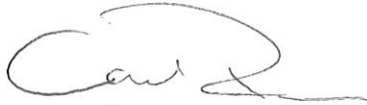

The purpose of this hearing is to provide an opportunity for all interested parties to present their views, both orally and in writing, with respect to the Project.

I would at this time ask if there is anyone wishing to be heard with respect to the Project? However, let the record show that it is now 9:37 a.m. there are no members of the public in attendance.

There have been no written comments, or comments regarding this project. I will be available until 10:00 a.m., but since there are no attendees, I will call this Public Hearing closed.

It is now 9:37 a.m. a.m. Let the record show that no members of the public are in attendance. No one has indicated a desire to comment with respect to the Project. I therefore call this hearing to a close.

Respectively submitted,

Carol Rasmussen

CCIDA Project Manager
