No other consent, approval or action by the directors of the Company or any other consent or approval (governmental or otherwise) or the taking of any other action is required as a condition to the validity or enforceability of this Lease or any of the other Transaction Documents.

(B) Neither the execution and delivery of this Lease or any of the other Transaction Documents to which the Company is a party, the consummation of the transactions contemplated hereby and thereby, nor the fulfillment of or compliance with the provisions of this Lease or the other Transaction Documents to which the Company is a party will (1) conflict with or result in a breach of any of the terms, conditions or provisions of the Company's articles of organization or operating agreement or any other company restriction, order, judgment, agreement, document or instrument to which the Company is a party or by which the Company or any of its Property is bound, or constitute a default by the Company under any of the foregoing, or result in the creation or imposition of any Lien of any nature upon the Project Facility under the terms of any of the foregoing, other than Permitted Encumbrances, (2) conflict with or result in a violation of Applicable Laws, (3) require consent or approval (which has not been heretofore received and provided to the Agency) under any company restriction, agreement or instrument to which the Company is a party or by which the Company or any of its Property may be bound or affected, or (4) require consent or approval (which has not been heretofore obtained and provided to the Agency) under or conflict with or violate any existing law, rule, regulation, judgment, order, writ, injunction or decree of any Governmental Authority having jurisdiction over the Company or any of the Property of the Company.

(C) The completion of the Project Facility by the Company the sublease thereof by the Agency to the Company and the operation thereof by the Company will not result in the removal of a facility or plant of the Company or any Sublessee of the Project Facility, or any part thereof, from one area of the State to another area of the State (other than relocations within the County) or in the abandonment of one or more plants or facilities of the Company or any Sublessee of the Project Facility, or any part thereof, located in the State (other than within the County); provided, however, that nothing in this Section shall constitute an authorization by the Agency for the Company to lease, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof without the prior written consent of the Agency, except as set forth in Section 9.3 of this Lease. Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Company.

(D) The Transaction Documents to which the Company is a party constitute, or upon their execution and delivery in accordance with the terms thereof will constitute, valid, legal and binding obligations of the Company, enforceable in accordance with their respective terms.

(E) The Project constitutes a commercial facility and will advance the Agency's purposes by promoting employment opportunities and preventing economic deterioration in the County. The Project Facility is, and so long as this Lease shall remain in effect, the Project Facility will continue to be a "project", as such quoted term is defined in the Act, and the Company will not take any action (or omit to take any action), or allow any action to be taken or not taken, which action, inaction or omission would in any way cause the Project Facility not to constitute a "project", as such quoted term is defined in the Act.

(F) The Project Facility and the operation thereof will comply with all Applicable Laws, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply with all Applicable Laws. The Company shall cause all notices as required by all Applicable Laws to be given, and shall comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project or the operation of the Project Facility, and the Company will indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless, from all claims, liabilities, damages, fees, expenses, fines and penalties due to failure, or alleged failure, to comply therewith; provided that such claims, liabilities, damages, fees, expenses, fines and penalties of the Agency are not incurred or do not result solely from the gross negligence or intentional wrongdoing of the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees. The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees, and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(G) The Company hereby covenants to comply with all mitigating measures, requirements and conditions enumerated in the Agency SEQRA Resolution applicable to the acquisition and operation of the Project Facility and in any other approvals issued by any other Governmental Authority with respect to the Project Facility. No material changes with respect to any aspect of the Project Facility have arisen from the date of the adoption of such Agency SEQRA Resolution which would cause the determinations contained therein to be untrue.

(H) The owner, occupant or operator receiving Financial Assistance hereby certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

(I) The Project is in substantial compliance with all provisions of the Act, including, but not limited to, the provisions of Section 859-a and 862(1) thereof.

(J) There are no actions, suits, investigations or proceedings of or before any Governmental Authority, pending or threatened against the Company or any of its Property which (i) either in any case or in the aggregate, if adversely determined, would materially, adversely affect the business, operations or condition, financial or otherwise, of the Company, or

(ii) question the validity of any of the Transaction Documents or any action to be taken in connection with the transactions contemplated thereby.

(K) The Company is not in default with respect to any order, writ, injunction or decree of any Governmental Authority, or in violation of any law, statute or regulation, domestic or foreign, to which the Company or any of its Property is subject.

(L) The subleasing of the Project Facility by the Agency to the Company and the granting of the Financial Assistance have induced the Company to proceed with the Project in the County. The granting of the Financial Assistance by the Agency with respect to the Project Facility, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their prosperity and standard of living, and will prevent unemployment and economic deterioration and thereby serve the public purposes of the Act.

(M) Silver Tree Residential, LLC (the "Management Company") shall employ a total of nine (9) full-time equivalent employees at the Project Facility (which consists of all six (6) of the locations making up the Property) after completion of the Project (collectively, the "Minimum Employment Requirement"). Satisfaction of the Minimum Employment requirement will be calculated by the sum total of all employees at all six (6) of the locations of the Property tested annually on December 31 of each year (the "Testing Date"). For the avoidance of doubt, the Agency and the Company acknowledge and agree that the Minimum Employment Requirement shall be applicable in the aggregate with respect to the Project Facility and that there is no minimum employment requirement with respect to any one of the locations of the Property.

(N) The funds available to the Company are sufficient to pay all costs in connection with the acquisition and equipping of the Project Facility.

(O) The Company is not a Prohibited Person, no Guarantor is a Prohibited Person, no Affiliate of the Company or the Guarantor is a Prohibited Person and no member, manager, director or shareholder of the Company is a Prohibited Person.

(P) Neither this Lease, any other Transaction Document, the Company's Application nor any other document, certificate, agreement or instrument furnished to the Agency by or on behalf of the Company or the Guarantor contains any untrue statement of a material fact or fails to state a material fact necessary to make the statements contained herein and therein not misleading.

(Q) No funds of the Agency shall be used in connection with the transactions contemplated by this Lease for the purpose of preventing the establishment of an industrial or manufacturing plant or for the purpose of advertising or promotional materials which depict elected or appointed government officials in either print or electronic media, nor shall any funds of the Agency be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State.

(R) The Project Facility is located entirely within the boundaries of the County.

(S) The Company has not conveyed, assigned, transferred, mortgaged, hypothecated, pledged or granted a security interest in its interest in the Project Facility pursuant to a mortgage, security agreement, pledge or other agreement that prohibits the Company from executing and delivering the Company Lease, this Lease or any other Transaction Document. The Company covenants and agrees that it shall not enter into a mortgage, security agreement, pledge or other agreement pursuant to which the existence of the Company Lease, this Lease or any other Transaction Document would constitute a default or an event of default.

(T) Neither the Company, the Guarantor nor any Affiliate of the Company or Guarantor has employed or retained any appointed or elected governmental official to solicit or secure the Agency's undertaking of the Project or its agreement to enter into this Lease or any other Transaction Document upon an agreement of understanding for a commission or percentage, brokerage or contingent fee.

(U) The Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this representation, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers.

### ARTICLE III CONVEYANCE AND USE OF PROJECT FACILITY

SECTION 3.1 CONVEYANCE TO THE AGENCY. (A) Pursuant to the Company Lease, the Company has conveyed or will convey to the Agency a leasehold interest in and to the Premises for the purpose of undertaking and completing the Project. The Company hereby represents and warrants that it has good and valid fee title to the Premises, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend (with counsel selected by the Agency), indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto or due to any defect in the leasehold interest granted to the Agency pursuant to the Company Lease.

(B) The Company and the Agency acknowledge that the Project Facility and the leasehold interest therein conveyed to the Agency from the Company and subleased by the Agency back to the Company are not "property" as defined in Title 5-A of the Public Authorities Law of the State because such property and the interests therein are security for the Company's obligations to the Agency under this Lease and the other Transaction Documents, including, without limitation, (i) the Company's obligation to acquire, construct, install, equip and maintain the Project Facility on behalf of the Agency, and (ii) the performance by the Company to the Agency of the Company's other obligations under this Lease and the other Transaction Documents.

SECTION 3.2 USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Transaction Documents, provided such use causes the Project Facility to qualify or to

continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project into disrepute as a public project; provided, further, however, that at no time shall any such use be other than by the Company as a low income and disabled apartment living community, together with uses incidental thereto, except with the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion. The Company shall not occupy, use or operate the Project Facility, or any part thereof, or permit or suffer the Project Facility, or any part thereof, to be occupied, used or operated (1) for any unlawful purpose, or (2) in violation of any certificate of occupancy affecting the Project Facility, or (3) for any use that constitutes a nuisance, public or private, or (4) for any use that makes void or voidable any insurance then in force with respect thereto, or (5) by any tenant, subtenant, user or occupant whose use, occupancy or operation of the Project Facility would be in violation of Applicable Laws. All permits and licenses necessary for the operation of the Project Facility as contemplated by this Section 3.2 shall be procured promptly by the Company. Any provision of this Lease to the contrary notwithstanding, the Company shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

Nothing in this Section shall constitute an authorization by the Agency for the Company to lease, license, sublease, sub-sublease or permit any other occupancy arrangements with respect to the Project Facility or any part thereof, except in accordance with Section 9.3 of this Lease.

### SECTION 3.3 HAZARDOUS MATERIALS.

(A) The Company represents, warrants and covenants that, except for De Minimis Amounts (i) the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner that violates any Applicable Law, including, but not limited to, those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials (each, an "Environmental Law" and, collectively, the "Environmental Laws"), (ii) the environmental and ecological condition of the Project Facility is not in violation of any Applicable Law, including, without limitation, any Environmental Law, (iii) the Company has all Environmental Permits required to construct and operate the Project Facility and is in compliance with their requirements, (iv) the Premises is not listed in CERCLIS, the NPL or any similar state or local listing nor is it included in an area included in such a list, and the Company has no knowledge that such a listing is pending or contemplated, (v) no event has occurred which, with the passage of time or the giving of notice or both, would constitute a violation of any Environmental Law, (vi) to the best of the Company's knowledge, there are not now, nor have there ever been, underground storage tanks on or under the Premises, (vii) there are no actions, suits, claims or proceedings seeking money damages, injunctive relief, remedial action or any other remedy pending or, to the Company's knowledge, threatened relating to a violation of Environmental Law or the disposal, discharge or release of Hazardous Materials, and (viii) to the best of the Company's knowledge, no prior owner of the Project Facility or any tenant, subtenant, operator, occupant, prior tenant, prior subtenant, prior operator or prior occupant, has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Environmental Law.

(B) The Company shall keep and shall cause the Project Facility to be kept free of Hazardous Materials except for De Minimis Amounts or otherwise in compliance with Environmental Laws. Without limiting the foregoing, the Company shall not cause or permit the

Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except for De Minimis Amounts or otherwise in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any Sublessee of the Project Facility, or any part thereof, an unlawful release of Hazardous Materials onto, under or from the Project Facility or onto any other property. The Company shall not cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or its members, managers, shareholders, directors, officers, agents, servants, employees or representatives, a release of Hazardous Materials on, under or from the Project Facility, except for De Minimis Amounts or otherwise in compliance with all Environmental Laws.

(C) The Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Materials, except for De Minimis Amounts on, from or affecting the Project Facility (a) in accordance with all Environmental Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all Governmental Authorities, and (2) defend (with counsel selected by the Agency), indemnify, and hold harmless the Agency and its employees, agents, officers, attorneys, servants and members, past, present and future, from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to: (a) the presence, disposal, release or threatened release of any Hazardous Materials on, from, under or affecting the Project Facility, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Environmental Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, consultant fees, costs of remediation, investigation and laboratory fees, court costs, reasonable attorney fees and litigation expenses. Costs under this subsection (D) will be repaid immediately upon demand with interest at the Default Interest Rate commencing five (5) days after such demand.

(D) In the event this Lease is terminated, the Company shall deliver the Project Facility to the Agency free of any and all Hazardous Materials (except for De Minimis Amounts and except Hazardous Materials the presence of which do not violate any Environmental Laws), so that the condition of the Project Facility shall conform with all Environmental Laws affecting the Project Facility.

(E) The Company agrees that the Agency and its officers, agents, employees, members, servants or representatives, may at any reasonable time, and at the Company's expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Environmental Laws.

(F) In the event that insurance is or shall become available at a reasonable cost to cover the Company's obligations under this Section 3.3, then, at the option of the Agency, the Company shall obtain adequate coverage.

SECTION 3.4 NON-MERGER. During the term of this Lease, there shall be no merger of this Lease or the Company Lease nor of the leasehold estate created by the Company Lease or the subleasehold estate created by this Lease with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease or the Company Lease or the subleasehold estate created by this Lease or the leasehold estate created by the Company Lease or any interest in this Lease or the Company Lease or in any such leasehold or subleasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease or the Company Lease or the subleasehold estate created by this Lease or the leasehold estate created by the Company Lease and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5 TITLE REPORT AND SURVEY. The Company has obtained and delivered to the Agency (i) a title report (in form and substance acceptable to the Agency) reflecting all matters of record with respect to the Project Facility, including municipal searches and (ii) a current or updated survey of the Project Facility certified to the Agency.

#### ARTICLE IV UNDERTAKING AND COMPLETION OF THE PROJECT

##### SECTION 4.1 ACQUISITION AND EQUIPPING OF THE PROJECT FACILITY.

(A) The Company shall, on behalf of the Agency, promptly acquire and equip the Project Facility, or cause the acquisition and equipping of the Project Facility in a first-class, workmanlike manner using high grade materials, free of material defects in materials and workmanship. Notwithstanding the foregoing, the Company shall not, at any time during the term of this Lease, construct any new structure on the Property (other than the Building) or construct an addition to or otherwise materially alter the Building or otherwise construct any additional improvements on the Property without the prior written consent of the Agency.

(B) RESERVED.

(C) RESERVED.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) of this Lease.

(E) RESERVED.

(F) The Company shall not take any action, or neglect to take any action, including, without limitation, the employment of any contractor, if such action or inaction would result in jurisdictional disputes or strikes or labor disharmony in connection with the Project.

(G) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. A leasehold interest in portions of the Project Facility acquired, constructed and installed at the Company's cost shall immediately upon such acquisition, construction or installation vest in the Agency, subject to Permitted Encumbrances. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's interest in and to such portions of the Project Facility.

(H) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease.

(I) RESERVED.

(J) The Company shall furnish to the Agency all information and/or documentation requested by the Agency pursuant to this Section 4.1 and will cooperate with the Agency for the purposes of investigation to ascertain compliance with this Section 4.1.

#### SECTION 4.2 RESERVED.

SECTION 4.3 REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition and equipping of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, which consent shall not be unreasonably withheld, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility then to pay all reasonable costs and expenses incurred by the Agency in connection therewith, and thereafter be paid to the Company for its own use.

#### SECTION 4.4 PURPOSE OF THE PROJECT.

It is understood and agreed by the Agency and the Company that the purposes of the granting of the Financial Assistance are to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project Facility to advance the job opportunities, health, general prosperity and economic welfare

of the people of the County and the State, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration, and to otherwise accomplish the purposes of the Act.

ARTICLE V  
DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS  
AND OTHER AMOUNTS PAYABLE

SECTION 5.1 SUBLEASE OF THE PROJECT FACILITY FROM THE AGENCY TO THE COMPANY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and sublease to the Company, and the Company hereby agrees to rent and sublease from the Agency, a subleasehold interest in the Project Facility, subject only to the Permitted Encumbrances.

SECTION 5.2 DURATION OF THE LEASE TERM; QUIET ENJOYMENT.

(A) The Agency shall deliver to the Company possession of the Project Facility, subject to the provisions of this Lease, and the subleasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Provided that all amounts, costs and expenses payable by the Company to the Agency under this Lease and all other Transaction Documents are paid in full, the subleasehold estate created hereby shall terminate at 12:00 a.m. on the earlier to occur of (1) February 28, 2048 (the "Stated Expiration Date"), or (2) the date that this Lease shall terminate pursuant to Article X or Article XI hereof.

(C) The Agency shall take no action, other than pursuant to Article X or Article XI of this Lease, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease and will, at the request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3 RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE.

(A) The Company shall pay on the date of execution and delivery of this Lease, as the basic sublease payments due hereunder: (1) the sum of \$1.00, (2) all reasonable fees and expenses of counsel to the Agency and Special Counsel to date with respect to the Project, and (3) all other actual costs and expenses incurred by the Agency in connection with the transactions contemplated by this Lease and the other Transaction Documents.

(B) The Company agrees to pay to the Agency the following fees: (1) an Agency administrative fee in the amount of \$90,000.00, with respect to the Project, and (2) the Agency's general counsel fee to be invoiced to Company prior to the Closing Date (collectively, the "Administrative Fee"). The Administrative Fee is due and payable by the Company to the

Agency on the Closing Date. The Administrative Fee is non-refundable and is deemed earned in full upon the execution and delivery of this Lease.

(C) Within ten (10) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable costs and expenses of the Agency and the officers, members, agents, attorneys, servants and employees thereof, past, present and future, incurred by reason of the Agency's ownership, leasing, subleasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease or any of the other Transaction Documents, and any other reasonable fee or expense of the Agency with respect to the Project Facility, the leasing, subleasing or sale of the Project Facility to the Company, the sub-subleasing of portions of the Project Facility to the Sublessees, the payment of which is not otherwise provided for under this Lease.

(D) The Company agrees to make the above-mentioned payments in immediately available funds, without any further notice or demand, by wire transfer or other form of payment satisfactory to the Agency, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate, from the date on which such payment was due until the date on which such payment is received by the Agency.

#### SECTION 5.4 NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER.

(A) The obligations of the Company to make the payments required by this Lease and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of setoff, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease, or terminate this Lease (except as set forth in Section 11.1 hereof), for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the Project, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part expressly contained in this Lease, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.9 hereof); provided, however, that the Company shall look solely to the Agency's estate and

interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company), servants or employees, past, present and future, of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease, the relationship of the Agency and the Company hereunder or the Company's use and occupancy to the Project Facility, or any other liability of the Agency to the Company.

ARTICLE VI  
MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1 MAINTENANCE AND MODIFICATIONS OF THE PROJECT FACILITY.

(A) The Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) occupy, use and operate the Project Facility, and shall cause the Project Facility to be occupied, used and operated, in the manner for which it was intended and contemplated by this Lease, (3) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), (4) operate the Project Facility in a sound and economical manner, (5) not abandon the Project Facility, (6) perform or cause to be performed, for and on behalf of the Agency, each and every obligation of the Agency under and pursuant to the Mortgage, and (7) not create, permit or suffer to exist any mortgage, encumbrance, lien, security interest, claim or charge against the Project Facility, or any part thereof, or the interest of the Agency or the Company in the Project Facility, the Company Lease or this Lease, except for Permitted Encumbrances. The Agency shall have no obligation to replace, maintain or effect replacements, renewals or repairs of the Project Facility, or to furnish any utilities or services for the Project Facility and the Company hereby agrees to assume full responsibility therefor.

(B) Upon prior written notice to the Agency, the Company may make alterations, modifications or improvements to the Project Facility, or any part thereof, provided:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such modification or improvement to the Project Facility, or any part thereof, (b) indemnify, defend (with counsel selected by the Agency) and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future harmless from all fees, expenses, fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) not be in monetary default under this Lease or under any of the other Transaction Documents beyond applicable notice and cure periods;

(2) such alterations, modifications and improvements are effected with due diligence, in a good and workmanlike manner and in compliance with all Applicable Laws;

(3) the Company shall promptly and fully pay for such alterations, modifications and improvements in accordance with the terms of the applicable contract(s) therefor;

(4) the alteration, modification or improvement to the Project Facility shall not constitute or cause a default under any of the Transaction Documents;

(5) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such alteration, modification or improvement to the Project Facility, detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for (a) nonstructural modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000.00 in value, and (b) non-structural modifications or improvements, without limitation as to amount, performed in connection with customary and reasonable tenant improvements;

(6) as a result of such alterations, modifications or improvements, neither the usefulness, structural integrity nor operating efficiency of the Project Facility would be materially impaired in the reasonable judgment of the Agency;

(7) the Agency receives reasonably satisfactory evidence that such alterations, modifications and improvements do not change the nature of the Project Facility such that it would not comply with the terms of this Lease or such that it would not constitute a "project" (as such quoted term is defined in the Act);

(8) if such alterations, modifications or improvements involve an addition to the Project Facility or would otherwise result, but for the Agency's interest in the Project Facility, in an increase in the assessed value of the Premises, then the Agency may require an increase in the Administrative Fee and/or the sums payable under the PILOT Agreement, if any, before such alterations, modifications or improvements proposed can be undertaken or completed;

(9) no such alterations, modifications or improvements shall be entitled to any "financial assistance" (as such quoted term is defined in the Act) from the Agency unless agreed to in writing by the Agency; and

(10) an Event of Default shall not have occurred and be continuing under this Lease or any other Transaction Document.

All such alterations, modifications and improvements shall constitute a part of the Project Facility and the Company shall deliver or cause to be delivered to the Agency appropriate documents to convey title to or a leasehold interest in such property, as the case may be, to the Agency, free and clear of all liens, charges, encumbrances, security interests or claims other than Permitted Encumbrances, and to subject such property to this Lease.

(C) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the operation of the Project Facility, and the Company will defend (with counsel selected by the Agency), indemnify and save the Agency and its officers, members, agents (other than the Company), attorneys, servants and employees, past, present and future, harmless from all fees, expenses, fines and penalties due to failure to comply therewith.

(D) Any provision of this Lease to the contrary notwithstanding, the Company shall not construct any new building or structure on the Land (other than the Building) or any addition to any existing building on the Land, without the prior written consent of the Agency, which consent may be withheld in the Agency's sole and absolute discretion.

#### SECTION 6.2 TAXES, ASSESSMENTS AND UTILITY CHARGES.

(A) The Company shall pay as the same respectively become due: (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility (other than those taxes for which payments in lieu thereof are being paid pursuant to the PILOT Agreement), (2) all utility and other charges, including "service charges" and deposits, incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, and (3) all assessments and charges of any kind whatsoever lawfully made against the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease.

(B) If the Company fails to pay any tax, assessment or charge required to be paid pursuant to this Section 6.2, the Agency may pay or cause to be paid such taxes, assessments or charges. The Company shall reimburse the Agency for any amount paid under this Section 6.1, together with interest thereon from the date of payment at the Default Interest Rate.

(C) Notwithstanding the provisions of this Section 6.2, the Company may withhold any such payment and the Company may in good faith actively contest the amount, validity or the applicability of any payment referred to in such subsection (A), provided that (1) the Company shall have first notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond applicable notice and cure periods, (3) the overall operating efficiency of the Project for the purposes for which it is intended is not materially impaired, (4) neither the Project Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings, (5) the Company shall have set aside on its books adequate reserves with respect thereto, and (6) the Company diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

#### SECTION 6.3 INSURANCE REQUIRED.

(A) During the term of this Lease, the Company shall maintain insurance with respect to the Project Facility against such risks and liabilities and for such amounts as are, in the Agency's reasonable judgment, customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to: Insurance protecting the interests of the Company, as insured and the Agency, as loss payee, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils embraced by a so-called "Special Form" policy of property insurance, in amounts sufficient to prevent the Company and the Agency from becoming a co-insurer under such policy and not less than 100% of the replacement cost of the Project Facility, without deduction for depreciation. Additionally, during any period in which construction work or alterations are being performed at the Project Facility, the Company shall maintain "Special Form" property insurance in the form of a "Builder's Risk" completed value non-reporting policy in an amount satisfactory to the Agency and which shall contain a provision granting the insured permission to complete and/or occupy

(2) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition and equipping of the Project Facility.

(3) Commercial general liability insurance protecting the Company, as insured and the Agency, as an additional insured, against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.1 of this Lease), or arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000.00 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$1,000,000.00 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company, as insured and the Agency, as an additional insured, with a limit of not less than \$2,000,000.00, as said amounts may be adjusted by the Agency from time to time in its reasonable discretion.

(4) During any period of construction, renovation, or improvement, to the extent not covered by the general liability insurance set forth in Subsection (A)(3) above, Owners & Contractors Liability insurance for the benefit of the Company and the Agency in a minimum amount of \$500,000.00 aggregate coverage for personal injury and property damage.

(5) Boiler and machine property damage insurance in respect of any steam and pressure boilers and similar apparatus, insuring risks normally insured against under boiler and machinery policies and in amounts and with deductibles customarily obtained for similar enterprises.

(6) A policy or policies of flood insurance in an amount not less than the maximum amount of flood insurance available with respect to the Project Facility under the Flood Disaster Protection Act of 1973, as amended. The requirements of this Subsection (A)(6) shall be waived upon presentation of evidence satisfactory to the Agency that no portion of the Project Facility is located within an area identified by the U.S. Department of Housing and Urban Development as having special flood hazards.

(B) Additional Provisions Regarding Insurance. All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having an A.M. Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged and shall provide that such insurance shall be without any right of contribution from any other insurance carried by the Agency. All policies evidencing such insurance shall name the Company, as named insured, and the Agency as an additional insured, with respect to liability policies, and name the Lender as loss payee with respect to casualty policies, and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 hereof. At least fifteen (15) days prior to the expiration of any such policy, the Company shall furnish to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Lease.

(1) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company; provided, however, that, if the premiums are not timely paid, the Agency may pay such premiums and the Company shall pay immediately upon demand all sums so expended by the Agency, together with interest thereon at the Default Interest Rate.

(2) In the event of construction, reconstruction, improvement or renovation of any part of the Project Facility, the Company shall require its contractors and subcontractors, if any, to name the Agency as an additional insured on liability policies carried by such contractors or subcontractors with respect to their operations at the Premises or with respect to the Project.

(3) Each of the policies evidencing the insurance required by this Section 6.3 of this Lease shall provide that: (i) there shall be no recourse against the Agency for the payment of premiums or commissions or, if such policies provide for the payment thereof, additional premiums or assessments; (ii) in respect of the interest of the Agency in such policies, the insurance shall not be invalidated by any action or inaction of the

Company or any other Person and shall insure the Agency regardless of, and any losses shall be payable notwithstanding, any such action or inaction; (iii) if the insurers cancel such insurance for any reason whatsoever, including the insured's failure to pay any accrued premium, or the same is allowed to lapse or expire, or if there shall occur any reduction in amount, or any material change is made in the coverage, such cancellation, lapse, expiration, reduction or change shall not be effective as to the Agency until at least thirty (30) days after receipt by the Agency of written notice by such insurers of such cancellation, lapse, expiration, reduction or change; and (iv) the insurers waive subrogation thereunder against any Person insured under such policy, and waive any right of the insurers to any setoff or counterclaim or other deduction, in respect of any liability of any Person insured under such policy. Any such insurance policies may be furnished under a so-called "master" or "blanket" policy covering locations other than the Project Facility; provided, however, that if casualty coverage for the Project Facility is provided under a master or blanket policy, such policy must contain an agreed amount endorsement evidencing that such coverage is in an amount sufficient to insure the full replacement cost of the Project Facility.

(C) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST IN THE PROJECT FACILITY.

(D) Any provision of this Lease to the contrary notwithstanding, at any time during the term of this Lease that any portion of the Loan is outstanding and the Mortgage remains a Lien on the Project Facility, the Agency agrees that (i) the Lender shall be the loss payee with respect to the Net Proceeds of the insurance required by Sections 6.3 hereof, and (ii) the provisions of Sections 6.4 hereof shall be superseded and replaced by the applicable provisions of the Mortgage.

SECTION 6.4 APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows, subject to Section 6.5 of this Lease, (A) the Net Proceeds of the insurance required by Sections 6.3(A)(2) and 6.3(A)(7) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Sections 6.3(A)(3-6) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

#### SECTION 6.5 PAYMENTS IN LIEU OF TAXES.

(A) It is recognized that, under the provisions of the Act, the Agency is not required to pay certain taxes or assessments upon the Property acquired by it or under its jurisdiction, control or supervision or upon its activities as more particularly set forth in Section 874 of the Act. It is the intention of the parties hereto that the Project Facility be treated as exempt from real property taxation to the extent set forth in the PILOT Agreement, a copy of which is attached hereto as Exhibit E. Accordingly, the parties hereto acknowledge that the Agency shall endeavor to file New York State Board of Real Property Services Form RP-412-a (a "Real Property Tax Exemption Form") with respect to each location that comprises the

Property. The Company hereby consents to any enforcement action provided to the Taxing Entities pursuant to law in the event that the Company should fail to pay any taxes not exempted as aforesaid and shall not object to any such enforcement action on the grounds that a leasehold interest in the Project Facility is held by the Agency or that the Project Facility is under the Agency's jurisdiction, control or supervision or subject to its activities.

(B) The Agency and the Company hereby agree that the Company shall be required to make or cause to be made payments in lieu of taxes to the school districts, cities, towns, county, villages and other political unit(s) wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities"), in such amounts and at such times as are required by the PILOT Agreement.

(C) Within thirty (30) days after receipt of written request therefore, the Company shall deliver to the Agency official receipts of the Taxing Entities or other proof reasonably satisfactory to the Agency evidencing payment of any amount that the Company is required to pay under the PILOT Agreement.

#### SECTION 6.6 REFINANCING

(A) Notwithstanding any provisions of this Lease to the contrary, Company shall be permitted without prior written consent of the Agency, to finance or refinance any portion of the Project which such Loans may be unsecured or secured with one or more Mortgages with one or more Lenders, so long as the Company complies with Section 6.5 herein. The Agency agrees to reasonable cooperate with the Company with respect to any financing or refinancing, including execution of any estoppel certificates in form and substance reasonably acceptable to the Agency at the sole cost and expense of the Company.

(B) Unless and until the Company applies for and is approved for mortgage recording tax benefit from the Agency, the Company will not receive any mortgage recording tax benefit hereunder.

### ARTICLE VII DAMAGE, DESTRUCTION AND CONDEMNATION

#### SECTION 7.1 DAMAGE OR DESTRUCTION.

(A) If the Project Facility becomes damaged or destroyed, in whole or in part at any time during the duration of this Lease:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b) (1) the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any) pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and, in the event that the funds from the Net Proceeds of any insurance settlement to the Company, if any, are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement, if any, remaining after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be used by the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease. In such event, subject to the provisions of Section 6.4 of this Lease, the Net Proceeds under any and all policies of insurance covering the damage to or destruction of the Project Facility, after deducting the amount necessary to repay the Indebtedness, shall be paid to the Company for its own purposes. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to repay the Indebtedness in full. Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3 hereof.

(C) The Company hereby waives the provisions of Section 227 of the Real Property Law of the State or any laws of like import, now or hereafter in effect.

## SECTION 7.2 CONDEMNATION.

(A) To the best of the Company's knowledge, no Condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility or the Agency's or the Company's interest therein or in the Company Lease or this Lease.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility, or any part thereof;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease or the PILOT Agreement (whether or not the Project Facility is restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in subsection (C) of this Section 7.1, (a) the Company shall promptly restore the Project Facility (excluding any part of the Project Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Company (from the Net Proceeds of any Condemnation award, if any,) pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any Condemnation award remaining, if any, after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in subsection (B) of Section 7.1, the Company shall not be obligated to restore the Project Facility and the Net Proceeds of any Condemnation award shall not be applied as provided in subsection (B) (4) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to terminate this Lease. In such event, the Net Proceeds of any Condemnation award if any, after deducting the amount necessary to repay the Indebtedness, shall be paid over to the Company for its own purposes. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to repay the Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be repaid in full. Unless an Event of Default under any of the Transaction Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof or any interest therein or in the Company Lease or this Lease and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any Condemnation proceedings and, within seven (7) days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(D) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation

proceeding without the written consent of the Company, which consent shall not be unreasonably withheld or delayed.

SECTION 7.3 ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Section 7.1, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein and shall be subject to this Lease.

The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company), attorneys, servants or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(2) In the event of any claim against the Agency or its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, by any employee of the Company or any contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligations of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Company or such contractor under workers' compensation laws, disability benefits laws or other employee benefit laws.

(3) To effectuate the provisions of this Section 8.1, the Company agrees to provide for and insure its liabilities assumed pursuant to this Section 8.1 in the liability policies required by Section 6.3 of this Lease.

(C) Notwithstanding any other provisions of this Lease, the obligations of the Company pursuant to this Section 8.1 shall remain in full force and effect after the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency or its members, agents (other than the Company), attorneys, servants or employees, past, present or future, relating thereto.

**SECTION 8.2 RIGHT OF ACCESS TO THE PROJECT FACILITY.** The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times and upon reasonable notice to enter upon and to examine and inspect the Project Facility; provided, however, that no such notice shall be required in the event of an emergency or if an Event of Default has occurred and is continuing under this Lease. The Company further agrees that the Agency shall have such rights of access to the Project Facility (subject to the provisions of the immediately preceding sentence of this Section) as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder, but the exercise of such right shall in no event be construed to mean that the Agency has assumed any obligation hereunder to perform such maintenance.

**SECTION 8.3 COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS.** The Company agrees that, during the term of this Lease, it (A) will maintain its corporate existence as in effect on the Closing Date, (B) will not dissolve or except as permitted pursuant to Section 9.3 of this Lease otherwise dispose of all or substantially all of its assets, and (C) will not consolidate with or merge into another corporation or other Person, or permit one or more entity or other Persons to consolidate with or merge into it, without giving prior written notice to the Agency and obtaining the consent of the Agency. **SECTION 8.4 AGREEMENT TO PROVIDE INFORMATION.** The Company agrees, whenever reasonably requested by the Agency, to promptly provide and certify or cause to be provided and certified such information concerning the Project Facility, the Company, the Guarantor, the Company's or the Guarantor's finances, operations and affairs and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by Applicable Laws or other governmental regulation or to ensure compliance with the provisions of this Lease and the other Transaction Documents.

**SECTION 8.5 BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES.**

(A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) Within thirty (30) days after the end of each fiscal year of the Company, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder or under any other Transaction Document has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto. The Company represents to the Agency that the Company's fiscal year ends on December 31st.

**SECTION 8.6 COMPLIANCE WITH APPLICABLE LAWS.**

(A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of subsection (A) of this Section 8.6, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) no Event of Default shall have occurred and be continuing under any of the Transaction Documents beyond any applicable notice or cure period, (3) shall have set aside adequate reserves for any such requirement, (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or

any part thereof to loss or forfeiture, (5) demonstrates to the reasonable satisfaction of the Agency that such contest shall not result in the Company or the Agency being in any danger of any civil or criminal liability for failure to comply therewith, and (6) diligently prosecutes such contest to completion. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of subsection (B) of this Section 8.6, if the Agency or any of its members, officers, agents (other than the Company), attorneys, servants or employees, past, present or future, may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

#### SECTION 8.7 DISCHARGE OF LIENS AND ENCUMBRANCES.

(A) The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency or on any funds of the Agency applicable to or deriving from the Project Facility.

(B) If any Lien (other than a Permitted Encumbrance) is filed or asserted, or any judgment, decree, order, levy or process of any court or governmental body is entered, made or issued or any claim, whether or not valid, is made against the Project Facility or any part thereof or the interest therein of the Company or the Agency, the Company, immediately upon receiving notice of the filing, assertion, entry or issuance thereof, shall give written notice thereof to the Agency and take all action (including, without limitation, the payment of money and/or securing of a bond) at its own cost and expense as may be necessary or appropriate to obtain the discharge in full thereof and remove or nullify the basis therefor. Nothing herein shall be construed as constituting the consent to or permission of the Agency for the performance of any labor or services or the furnishing of any materials that would give rise to any Lien against the Agency's interest in the Project Facility.

SECTION 8.8 PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but shall not be obligated to, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith; and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon, at the Default Interest Rate.

SECTION 8.9 DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

## SECTION 8.10 EMPLOYMENT OPPORTUNITIES.

(A) The Company shall ensure that all employees and applicants for employment with regard to the Project, including, without limitation, the employees of and applicants for employment with the Management Company, or any of its Affiliates, are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division (the "NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the federal Job Training Partnership Act (P.L. No. 97-300) (including any successor statute thereto, including without limitation, the Workforce Investment Act of 1998 (P.L. No. 105-270), collectively, the "JTPA") in which the Project Facility is located, and (2) where practicable, to first consider and to cause to be first considered for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease, an employment plan, in form and substance satisfactory to the Agency.

(D) The Company or the Management Company on behalf of the Company agrees to file with the Agency, on a calendar year basis not later than February 11 of each year during the term of this Lease, measured as of December 31st of the immediately preceding calendar year, reports (i) enumerating the full-time equivalent jobs retained and the full time equivalent jobs created as a result of the granting of the Financial Assistance, by category, including, without limitation, full-time equivalent employees of the Management Company, full-time equivalent independent contractors and employees of independent contractors that work at the Project Facility, and (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that were set forth in the Application are then still accurate or, if not then still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created. Said annual reports shall be in substantially the form promulgated from time to time by the Agency. The current forms of reports are annexed hereto as Exhibit D. ARTICLE IX  
ASSIGNMENTS; LEASING; MERGER OF THE AGENCY

## SECTION 9.1 ASSIGNMENT OF THIS LEASE.

A. Except as otherwise provided in this Lease, this Lease may not be sold, assigned or otherwise transferred by the Company, in whole or in part, without the prior written consent of the Agency, which consent shall not be unreasonably withheld, conditioned or delayed, but shall be subject to the dates of the Agency's board meetings, and shall in all events be subject to and conditioned upon the payment of the then-standard fees of the Agency and the satisfaction of all requirements of the Act. Except as otherwise provided in this Lease, any such sale, assignment or transfer made by the Company without the prior written consent of the Agency as aforesaid shall be null and void. Any such sale, assignment or transfer consented to by the Agency shall be made pursuant to documentation satisfactory to the Agency. The Company shall pay all reasonable and customary fees and expenses incurred by the Agency in connection with such sale, assignment or transfer.

## SECTION 9.2 MERGER OF THE AGENCY.

(A) Nothing contained in this Lease shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or any political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder and under the other Transaction Documents; provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall endeavor to give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

## SECTION 9.3 SALE OR LEASE OF THE PROJECT FACILITY.

(A) Except for residential tenant use and incidental uses associated therewith and permitted transfers under Section 9.3(E), the Company shall not lease, sublease, sub-sublease, license or otherwise permit others to use or occupy the Project Facility or any portion thereof without the prior written consent of the Agency, which consent shall not be unreasonably withheld, conditioned or delayed, except for leases, subleases, sub-subleases and other occupancy arrangements as set forth in Subsection (B) of this Section 9.3, if any; provided, however, in each case (1) the Company shall remain liable to the Agency for the payment of all rent and for the full performance of all of the terms, covenants and conditions of this Lease, and (2) any approved Sublease Agreement will not diminish or impair the obligation of the Company to carry the insurance required under Article VI hereof, and that such insurance coverage shall in no manner be limited by such Sublease Agreement.

(B) (1) The Company shall not, without the prior written consent of the Agency, which consent will not be unreasonably withheld, conditioned or delayed, lease, sublease, license or permit others to occupy the Project Facility, or any portion thereof, in any manner that would cause (i) the removal of a facility or plant of the tenant or occupant from one area of the State to another area of the State or in the abandonment of one or more plants or facilities of such tenant or occupant located within the State, or (ii) the Project Facility not to constitute a "project", as such quoted term is defined in the Act, or (iii) the Project Facility, in the reasonable judgment of the Agency, to be in disrepute as a public project, or (iv) the Project Facility or any part thereof to be leased, subleased or occupied by a Prohibited Person or an Affiliate of a Prohibited Person, or (v) the Project Facility or the operation thereof to be in violation of any Applicable Law, or (vi) funds of the Agency to be given hereunder to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, or (vii) the Project Facility to constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project Facility. The Company shall include or cause to be included restrictions substantially the same as those set forth in the immediately preceding sentence in all Sublease Agreements. Except as prohibited above, the Company may lease, sublease or permit the occupancy of all or any portion of the Project Facility without the Agency's prior consent, for residential tenant uses and incidental uses associated therewith.

(C) Subject to Subsection 9.3(E) of this Lease, the Company shall not sell, transfer, convey or otherwise dispose of its interest in the Project Facility or any portion thereof without the prior written consent of the Agency, which consent may be granted or withheld in the Agency's sole and absolute discretion.

(D) Notwithstanding anything to the contrary contained in this Section 9.3, in any instance where the Company determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency. At the request of the Company, the Agency shall execute and deliver to the Company all instruments reasonably necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Transaction Documents. The Company shall pay all reasonable costs and expenses (including reasonable attorneys' fees and expenses) incurred in transferring title to and releasing from the Liens of the Transaction Documents any item of Property removed pursuant to this Section 9.3.

(E) Notwithstanding anything to the contrary contained in this Section 9.3, the Agency hereby consents to the Company's sale, assignment or transfer of the Premises under the following circumstances:

(1) The transfer conforms with existing HUD loan documents, to the extent required, and the transferee receiving the Premises (1) assumes in writing all of the obligations of the Company under the Transaction Documents; (2) assumes in writing all of the obligations of the Company under the HUD 202 Regulatory Agreement; and (3)

proves to the Agency, in a reasonable form that it has a net worth of \$5,000,000.00 or greater; or

(A) The following shall be “Events of Default” under this Lease, and the terms “Event of Default” or “default” shall mean, whenever they are used in this Lease, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of any amount due under this Lease or under any other Transaction Document, and the continuance thereof for a period of ten (10) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any covenant, condition or agreement on the part of the Company in this Lease (other than as set forth in subsection (1) above or in any other subsection of this Section 10.1(A)) and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, or, if such covenant, condition or agreement is capable of cure but cannot be cured within such ninety (90) day period, the failure of the Company to commence to cure within such ninety (90) day period and to prosecute the cure to completion with due diligence.

(3) The occurrence of an “Event of Default” under any other Transaction Document.

(4) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(6) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy or insolvency statute; (b) the failure by the Company within ninety (90) days to lift any execution, garnishment or attachment of such consequence as will impair the Company’s ability to

carry out its obligations hereunder; (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy or insolvency statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of ninety (90) days; (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company; or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver, liquidator or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within ninety (90) days of such appointment.

(7) Except as permitted by the provisions of this Lease, if any interest in the Company shall be sold, assigned, transferred, conveyed, mortgaged, pledged, hypothecated or alienated, or if any member or shareholder of the Company enters into an agreement or contract to do so, without the prior written consent of the Agency.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance and the failure of the Company to remove such Lien, whether by the payment of money, the securing of a bond or otherwise, within thirty (30) days after the Company receives notice or becomes aware of such imposition.

(9) If any certificate, statement, representation, warranty or financial statement made to the Agency by or on behalf of the Company or any Guarantor shall prove to have been false, misleading or incorrect in any material respect at the time as of which the facts therein set forth were made, or to have omitted any material liability or claim against the Company or the Guarantor, as the case may be.

(10) If the environmental or ecological condition of the Project Facility is in violation of any Environmental Law or any permit, license or approval related thereto or if the Project Facility, or any part thereof, contains any Hazardous Materials (except Hazardous Materials which do not violate Environmental Laws), and the Company is unable to comply with such Environmental Laws within thirty (30) days of the notification or discovery of such violation or complete all appropriate and lawful remedial containment and clean-up action within thirty (30) days of the notification or discovery of the existence of such Hazardous Materials; provided, however if by reason of the nature of such failure the same can be remedied, but not within the said thirty (30) days, and the Company fails to commence and thereafter proceed with reasonable diligence after receipt of said notice to cure such failure or fails to continue with reasonable diligence its efforts to cure such failure or fails to cure such failure within ninety (90) days of receipt of said notice.

(11) Any loss of the Agency's interest in and to the Project Facility, or any part thereof.

(12) The Company, or any Affiliate of the Company or any director, member, manager, officer or shareholder of the Company shall become a Prohibited Person.

(13) Except as permitted by the provisions of this Lease, any assignment of this Lease or the Company Lease, in whole or in part, or any letting or sub-subletting of the Project Facility, or any portion thereof, in violation of the terms of this Lease.

(14) An Event of Default shall occur under the Company Lease or under any other Permitted Encumbrance.

(15) RESERVED.

(16) The Company defaults under or attempts to withdraw, restate, cancel or disclaim liability under any guaranty or indemnity made by the Company in favor of the Agency.

(17) If the Company fails to maintain the Minimum Employment Requirement on any Testing Date during the term of this Lease, except for reasonable employee turnover occurring in the ordinary course of business.

(18) Failure by the Company at any time to keep in full force and effect the insurance policies and coverages required by Section 6.3 of this Lease.

(B) Notwithstanding the provisions of Section 10.1(A) hereof if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease and if such party shall give notice and full particulars of such force majeure event or cause in writing to the other party within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability to perform. The suspension of such obligations for such period pursuant to this subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required under this Lease, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 2.2(F), 3.1, 3.3, 4.1(E), 6.1, 8.1 and 12.9(C) hereof and to comply with the provisions of Sections 2.2(F), 6.3, 8.2, 8.4, 8.5 and 8.6(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including, but not limited to, acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, restraint of government and people, civil disturbances, breakage or accident to transmission pipes or canals, and failure of utilities.

(A) Whenever any Event of Default shall have occurred and be continuing, the Agency may, to the extent not prohibited by law, take any one or more of the following remedial steps:

(1) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable, (a) all amounts payable pursuant to Section 5.3 hereof, and (b) all other payments due under this Lease or any of the other Transaction Documents, including, without limitation, any resulting Recapture of Benefits under Section 11.4 of this Lease; or

(2) terminate this Lease and/or terminate the Company Lease and/or convey to the Company all the Agency's right, title and interest in and to the Project Facility. The conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution by the Agency of the Termination of Lease and/or the Termination of Company Lease and/or the delivery of the Bill of Sale to Company, as applicable. The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from any such termination and conveyance. The Company hereby waives delivery and acceptance of such termination and Bill of Sale to Company as a condition to their validity, and appoints the Agency its true and lawful agent and attorney-in-fact (which appointment shall be deemed to be an agency coupled with an interest) with full power of substitution to file on its behalf all affidavits, questionnaires and other documentation necessary to accomplish the recording or filing of such documents; or

(3) bring an action for damages, injunction or specific performance; or

(4) take any other action at law or in equity which may appear necessary or desirable to collect any amounts then due or thereafter to become due hereunder and to enforce the obligations, agreements or covenants of the Company under this Lease.

(B) No action taken pursuant to this Section 10.2 shall relieve the Company from its obligations to make all payments required by this Lease and the other Transaction Documents.

**SECTION 10.3 REMEDIES CUMULATIVE.** No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article X, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

**SECTION 10.4 AGREEMENT TO PAY ATTORNEYS' FEES AND EXPENSES.** In the event the Company should default under any of the provisions of this Lease or any other Transaction Document and the Agency should retain attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency such fees and expenses (including, without limitation, attorneys' fees and expenses) so incurred, whether an action is commenced or not.

SECTION 10.5 NO ADDITIONAL WAIVER IMPLIED BY ONE WAIVER. In the event any agreement contained herein should be breached by either party and thereafter such breach be waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

ARTICLE XI  
OPTIONS TO TERMINATE

SECTION 11.1 EARLY TERMINATION OF THE LEASE. The Company shall have the option to terminate this Lease at any time prior to the termination date specified in Section 5.2 hereof, by filing with the Agency a certificate signed by an Authorized Representative of the Company stating the Company's intention to do so pursuant to this Section 11.1 and setting forth the effective date of such termination, which effective date shall not be less than thirty (30) days after the delivery of the certificate to the Agency. The Company shall not, at any time, assign or transfer its option to terminate this Lease and purchase the Agency's interest in the Project Facility as contained in this Section 11.1 separate and apart from a permitted assignment of this Lease pursuant to Section 9.1 and 9.3(E) of this Lease without the prior written consent of the Agency. After the applicable recapture period, and notwithstanding the provisions of Section 11.1(A), the Company shall be permitted to terminate this Lease without penalty, and in conformity with the PILOT Agreement executed herewith. OBLIGATIONS UPON TERMINATION OF THE LEASE.

(A) Contemporaneously with the termination of this Lease in accordance with Section 5.2 or Section 11.1 hereof, the Company shall pay all sums required to be paid to the Agency or any other Person pursuant to this Lease and the other Transaction Documents (including any applicable Recapture of Benefits).

(B) The termination of this Lease and the conveyance of the Agency's right, title and interest in and to the Project Facility shall be effected by the execution and delivery by the Agency of (1) the Termination of Company Lease (an unexecuted copy of which is attached hereto as Exhibit B, and (2) the Termination of Lease (an unexecuted copy of which is attached hereto as Exhibit C). The Company hereby agrees to pay all expenses and taxes, if any, applicable to or arising from such termination, including, without limitation, all of the Agency's reasonable costs and expenses in connection therewith (including reasonable attorneys' fees and expenses).

(C) The Company agrees to prepare the Termination of Company Lease, the Bill of Sale to Company and/or the Termination of Lease, and all schedules thereto, together with all equalization and assessment forms and other necessary documentation, and to forward same to the Agency at least fifteen (15) days prior to the date that this Lease is to be terminated and the Agency's interest in the Project Facility or any portion thereof is to be conveyed to the Company. The Company hereby irrevocably appoints and designates the Agency as its attorney-in-fact for the purpose of executing, delivering and/or recording such documents and to take such other and further action as shall be necessary to terminate the Agency's interest in the Project Facility.

SECTION 11.3 RESERVED.

## SECTION 11.4 RECAPTURE OF AGENCY BENEFITS.

(A) It is understood and agreed by the parties to this Lease that the Agency is entering into this Lease in order to provide the Financial Assistance to the Company for the Project and to accomplish the purposes of the Act. In consideration therefor, the Company hereby agrees that if there shall occur a Recapture Event (as hereinafter defined), then the Agency at its option may pursue a return of public Benefits conferred by the Agency (as defined in this Section 11.4) or waive such a return of public benefits in its sole and complete discretion. Should the Agency elect to pursue a return of public benefits conferred by the Agency following a Recapture Event, the amount of such benefits to be recaptured shall be as follows (such amount, the "Recapture of Benefits"):

(1) one hundred per cent (100%) of the Benefits (as defined below) if the Recapture Event occurs on or before the first (1st) anniversary of the Closing Date;

(2) eighty per cent (80%) of the Benefits if the Recapture Event occurs after the first (1st) anniversary of the Closing Date but on or before the second (2nd) anniversary of the Closing Date;

(3) sixty per cent (60%) of the Benefits if the Recapture Event occurs after the second (2nd) anniversary of the Closing Date but on or before the third (3rd) anniversary of the Closing Date;

(4) forty per cent (40%) of the Benefits if the Recapture Event occurs after the third (3rd) anniversary of the Closing Date but on or before the fourth (4th) anniversary of the Closing Date;

(5) twenty per cent (20%) of the Benefits if the Recapture Event occurs after the fourth (4th) anniversary of the Closing Date but on or before the fifth (5th) anniversary of the Closing Date;

(6) ten per cent (10%) of the Benefits if the Recapture Event occurs after the fifth (5th) anniversary of the Closing Date but on or before the sixth (6th) anniversary of the Closing Date; or

(7) zero per cent (0%) of the Benefits thereafter.

(B) The term "Benefits", in this Section 11.4, shall mean the Agency's calculation of, collectively:

(1) all real estate tax benefits which have accrued to the benefit of the Company during such time as the Agency held an interest in the Project Facility by reason of such interest, such tax benefits to be computed by subtracting the payments in lieu of taxes paid under the PILOT Agreement (through the date that the Project Facility is returned to the tax rolls as taxable property) from those payments which the Company would have been required to pay through such date had the Company been the owner of the Project Facility and the Agency not been involved in the Project and based on the records of the Tax Assessor, and treating any negative result as \$0; and

(2) all miscellaneous benefits derived from the Agency's participation in the transactions contemplated by this Lease.

(C) For the purposes of this Section 11.4 the term "Recapture Event" shall mean the occurrence of any of the following events:

(1) The Company shall have liquidated its operations and/or assets; or

(2) The Company shall have ceased all or substantially all of its operations at the Project Facility (whether by closure or by relocation to another facility either within or outside of the County); or

(3) The Company shall have transferred all or substantially all of its employees engaged in the construction, maintenance or operation of the Project Facility to a location outside of the County; or

(4) The occurrence and continuance of an Event of Default under this Lease or any other Transaction Document; or

(5) The Company shall have effected a substantial change in the scope and nature of the operations of the Company at the Project Facility without the prior written consent of the Agency; or

(6) Except as permitted by the provisions of this Lease, including, without limitation, Article IX of this Lease, the Company shall have sold, leased, subleased, sub-subleased, assigned, transferred or otherwise disposed of all or any part of its interest in the Project Facility; or

(7) The Management Company fails to maintain the Minimum Employment Requirement on any Testing Date during the term of this Lease, provided, however, reasonable employee turnover occurring in the ordinary course of business, as determined by the Agency in its reasonable discretion shall not be considered a "Recapture Event" for purposes of this Lease; or

(8) The Application, or documentation in support of the Application, contained a false or misleading statement as to any fact in the Application or omitted any information which, if included, would have rendered any information in the Application or supporting documentation false or misleading in any material respect, and such false or misleading statement or omission was made knowingly by the Company.

Notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a direct, immediate result of (i) a Condemnation by governmental authority of all or substantially all of the Project Facility or any interest therein, (ii) the inability at law of the Company to rebuild, repair, restore or replace the Project Facility after the occurrence of a casualty to substantially its condition prior to such casualty, which inability shall have arisen in good faith through no fault on the part of the Company, or (iii) due to a force majeure event.

(D) The Company covenants and agrees to furnish the Agency with written notification upon the occurrence of any Recapture Event, which notification shall set forth the terms of such Recapture Event.

(E) In the event any payment owing by the Company under this Section 11.4 shall not be paid on demand by the Company, such payment shall bear interest from the date of such demand at the Default Interest Rate until the Company shall have paid such payment in full, together with such accrued interest to the date of payment, to the Agency.

This Lease shall inure to the benefit of the Agency and the Company and shall be binding upon the Agency, the Company and, as permitted by this Lease, their respective successors and assigns, but no assignment shall be effective to relieve the Company of any of its obligations hereunder unless expressly authorized and approved in writing by the Agency.

SECTION 12.3 SEVERABILITY. If any one or more of the covenants or agreements provided herein on the part of the Agency or the Company to be performed shall, for any reason, be held or shall, in fact, be inoperative, unenforceable or contrary to law in any particular case, such circumstance shall not render the provision in question inoperative or unenforceable in any other case or circumstance. Further, if any one or more of the phrases, sentences, clauses, paragraphs or sections herein shall be held void, voidable, invalid or unenforceable by a court of competent jurisdiction, then such covenant or covenants or agreement or agreements shall be deemed separable from the remaining covenants and agreements hereof and shall in no way affect the validity of the other provisions of this Lease.

SECTION 12.4 AMENDMENT. This Lease may not be amended, changed, modified, altered or terminated, except by an instrument in writing signed by the parties hereto.

SECTION 12.5 EXECUTION OF COUNTERPARTS. This Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 12.6 APPLICABLE LAW. This Lease shall be governed by and construed in accordance with the applicable laws of the State, as in effect from time to time, without regard to its principles of conflicts of law.

#### SECTION 12.7 SURVIVAL OF OBLIGATIONS.

(A) The obligations of the Company to make the payments required by Sections 2.2(F), 3.1, 3.3, 4.1, 5.3, 5.4, 6.5, 8.2, 9.1, 9.3, 10.2 10.4, 11.2 and 11.4 hereof and to provide the indemnity required by Sections 2.2(F), 3.1, 3.3, 6.3, 8.2 and 12.9(C) hereof shall survive the termination of this Lease, and all such payments after such termination shall be made upon demand of the party to whom such payment is due.

(B) The obligations of the Company to the Agency with respect to the Unassigned Rights shall survive the termination or expiration of this Lease until the expiration of the period stated in the applicable statute of limitation during which a claim, cause of action or prosecution relating to the Unassigned Rights may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses and charges incurred by the Agency, or its officers, members, agents (other than the Company), attorneys, servants or employees, past, present or future, related thereto.

SECTION 12.8 TABLE OF CONTENTS AND SECTION HEADINGS NOT CONTROLLING. The Table of Contents and the headings of the several Sections in this Lease have been prepared for convenience of reference only and shall not control, affect the meaning of or be taken as an interpretation of any provision of this Lease.

## SECTION 12.9 NO RECOURSE; SPECIAL OBLIGATION.

(A) The obligations and agreements of the Agency contained herein and in the other Transaction Documents and any other instrument or document executed in connection therewith or herewith, and any other instrument or document supplemental thereto or hereto, shall be deemed the obligations and agreements of the Agency, and not of any member, officer, agent (other than the Company), servant or employee of the Agency in his individual capacity, and the members, officers, agents (other than the Company), servants and employees, past, present and future, of the Agency shall not be liable personally hereon or thereon or be subject to any personal liability or accountability based upon or in respect hereof or thereof or of any transaction contemplated hereby or thereby.

(B) The obligations and agreements of the Agency contained herein and therein shall not constitute or give rise to an obligation of the State or the County and neither the State nor the County shall be liable hereon or thereon, and, further, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Agency's interest in the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) No order or decree of specific performance with respect to any of the obligations of the Agency hereunder shall be sought or enforced against the Agency unless (1) the party seeking such order or decree shall first have requested the Agency in writing to take the action sought in such order or decree of specific performance, and ten (10) business days shall have elapsed from the date of receipt of such request, and the Agency shall have refused to comply with such request (or, if compliance therewith would reasonably be expected to take longer than ten (10) business days, shall have failed to institute and diligently pursue action to cause compliance with such request within such ten (10) business day period) or failed to respond within such notice period, (2) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it will incur fees and expenses, the party seeking such order or decree shall have placed in an account with the Agency an amount or undertaking sufficient to cover such fees and expenses, and (3) if the Agency refuses to comply with such request and the Agency's refusal to comply is based on its reasonable expectation that it or any of its members, officers, agents (other than the Company), servants or employees, past, present or future, shall be subject to potential liability, the party seeking such order or decree shall (a) agree to indemnify, defend (with counsel selected by the Agency) and hold harmless the Agency and its members, officers, agents (other than the Company), attorneys, servants and employees, past, present and future, against any liability incurred as a result of its compliance with such demand, and (b) if requested by the Agency, furnish to the Agency satisfactory security to protect the Agency and its members, officers, agents (other than the Company), servants and employees, past, present and future, against all liability expected to be incurred as a result of compliance with such request.

SECTION 12.10 NET LEASE. The obligation of the Company to make the payments specified in this Lease shall be absolutely net to the Agency without any abatement, recoupment,

diminution, reduction, deduction, counterclaim, set-off or offset whatsoever, so that this Lease shall yield, net, to the Agency, the payments set forth herein.

SECTION 12.11 WAIVER OF JURY TRIAL. THE COMPANY AND THE AGENCY HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE THE RIGHT EACH MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE, ANY OTHER TRANSACTION DOCUMENT OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION WITH THIS LEASE.

(B) The Company irrevocably and unconditionally (a) agrees that any suit, action or other legal proceeding arising out of this Lease or the other Transaction Documents may be brought in the courts of record of the State of New York in the County of Chautauqua or the courts of the United States, Western District of New York; (b) consents to the jurisdiction of each such court in any such suit, action or proceeding; and (c) waives any objection which it may have to the laying of venue of any such suit, action or proceeding in any of such courts. For such time as this Lease is in effect, the Company's agents designated above shall accept and acknowledge in the Company's behalf service of any and all process in any such suit, action or proceeding brought in any such court. The Company agrees and consents that any such service of process upon such agents and written notice of such service to the Company in the manner set forth in Section 12.1 hereof shall be taken and held to be valid personal service upon the Company whether or not the Company shall then be doing, or at any time shall have done, business within the State of New York and that any such service of process shall be of the same force and validity as if service were made upon the Company according to the laws governing the validity and requirements of such service in the State of New York, and waives all claim of error by reason of any such service. Such agents shall not have any power or authority to enter into any appearance or to file any pleadings in connection with any suit, action or other legal proceedings against the Company or to conduct the defense of any such suit, action or any other legal proceeding except as expressly authorized by the Company.
