WHEREAS, following the Agency's review of the Environmental Information, by resolution of the members of the Agency adopted on the date hereof, the Agency determined that the Project constitutes an unlisted action, and the Agency has issued its negative declaration in connection with the Project because the Agency's environmental review of the Project revealed that it will not have any significant adverse environmental impacts; and

WHEREAS, the members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act (which terms and conditions are hereby incorporated herein) and the duties and obligations of the Agency thereunder with respect to the granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF CHAUTAUQUA INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. The Agency has reviewed the Application and the Report and, based upon the representations made by the Applicant to the Agency, the Agency hereby makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, and the employment reasonably expected to be created and/or maintained by the Project, and an analysis of how the Project contributes to the realization of the public purposes of promoting employment opportunities in the County and the prevention of economic deterioration in the County, the Project will constitute a commercial facility with a significant impact on the area in which it is situated, and will advance the Agency's purposes by promoting employment opportunities and preventing economic deterioration in the County. Therefore, the Project constitutes a "project" within the meaning of the Act;

(b) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Applicant to undertake the Project in the County;

(c) the completion of the Project Facility, the sublease thereof by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other occupant or user of the Project Facility from one area of the State of New York (the "State") outside the County to another area of the State inside the County or in the abandonment of one or more plants or facilities of the Applicant or any other occupant or user located within the State (but outside of the County);

(d) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs and increasing the overall number of permanent, private sector jobs in the State;

(e) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall

any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(f) although the Project Facility is a project where the facilities will be used in making Retail Sales (as defined below) to customers who personally visit the Project Facility, and the cost of the Retail Sales portion of the Project constitutes more than one-third of the total cost of the Project, the Project is permissible as a Tourism Destination Project under the Act and the Agency's Uniform Tax Exemption Policy because the Project will attract a significant number of visitors from outside the economic development region (as established by section two hundred thirty of the economic development law) in which the Project is located and because the Project is significantly linked to other Tourism Destination Projects located in downtown Jamestown and the overall attraction of tourists outside of Chautauqua County to visiting downtown Jamestown and further the tourism initiative of the Agency. "Retail Sales" means (i) sales by a registered vendor under Article 28 of the Tax Law of the State primarily engaged in the retail sale of tangible personal property, as defined in section 1101(b)(4)(i) of the Tax Law of the State, or (ii) sales of a service to such customers; and

(g) the granting of the Financial Assistance by the Agency with respect to the Project will encourage and assist the Applicant in undertaking the Project in the County, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their standard of living, and thereby serve the public purposes of the Act.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Administrative Director and the staff of the Agency with respect to the Application and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP as Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act and all other Applicable Laws that relate to the Project and hereby directs the officers, employees and agents of the Agency to comply with Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to the granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) and hereby directs Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 4. Having considered fully all comments received at or in connection with the Public Hearing, including correspondence received subsequent to the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms hereof.

Section 5. The Agency hereby approves the Applicant as the sublessee under the Agency Lease with the Agency and as the recipient of the Financial Assistance.

Section 6. The Agency is hereby authorized (a) to acquire an interest in the Project Facility pursuant to the Company Lease, the Bill of Sale to Agency and the other Transaction Documents, (b) grant a subleasehold interest in the Project Facility pursuant to the Agency Lease and the other Transaction Documents, (c) grant the Financial Assistance, and (d) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 7. The form and substance of the Company Lease, the Agency Lease, the Bill of Sale to Agency, and the other Transaction Documents, in the forms presented to the members of the Agency, together with such non-material changes as the Chairman, the Vice Chairman or the Administrative Director may hereafter deem necessary or appropriate, are hereby approved. The Chairman, the Vice Chairman and the Administrative Director are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Company Lease, the Agency Lease, and the other Transaction Documents to which the Agency is a party and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 8. The Chairman, the Vice Chairman and the Administrative Director of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Agency Lease) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Amendments, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Amendments to which the Agency is a party or which are binding on the Agency.

Section 10. The Chairman, the Vice Chairman and the Administrative Director of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.
