NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF CHAUTAUQUA INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. In accordance with Section 859-a of the Act, the Agency has prepared a written cost-benefit analysis with respect to the Project and the granting of the Additional Financial Assistance (the “Analysis”). The Agency has reviewed the Application, the Report and the Analysis, and, based upon the representations made by the Applicant to the Agency and information obtained by the Agency, the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Additional Financial Assistance. In addition, the Agency hereby makes the following findings and determinations with respect to the Project:

(a) based on the continued use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, and the employment reasonably expected to be created and/or maintained by the Project, and an analysis of how the Project contributes to the realization of the public purposes of promoting employment opportunities in the County and the prevention of economic deterioration in the County, the Project constitutes a commercial facility with a significant impact on the area in which it is situated, and will advance the Agency’s purposes by promoting employment opportunities and preventing economic deterioration in the County. Therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting by the Agency of the Additional Financial Assistance with respect to the Project will be an inducement to the Applicant to undertake the Project in the County;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Additional Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project, the sublease of the Project Facility by the Agency to the Applicant and the operation thereof by the Applicant will not result in the removal of a facility or plant of the Applicant or any other occupant or user of the Project Facility from one area of the State of New York (the “State”) to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other occupant or user located within the State (but outside of the County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Additional Financial Assistance by the Agency to the Applicant;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs, and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the Project Facility does not and will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project. For purposes of this finding, retail sales shall mean: (i) sales by a registered vendor under Article 28 of the New York Tax Law primarily engaged in the retail sale of tangible personal property, as defined in subparagraph (i) of paragraph four of subdivision (b) of section 1101 of the New York Tax Law; or (ii) sales of a service to such customers;

(h) the granting of the Additional Financial Assistance by the Agency with respect to the Project will encourage and assist the Applicant in undertaking the Project in the County, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their standard of living, and thereby serve the public purposes of the Act; and

(i) the Project will not result in the removal or abandonment of a plant or facility of the Applicant or any other occupant or user of the Project Facility, currently located within the County.

Section 2. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Administrative Director/CEO, the Chief Financial Officer and the staff of the Agency with respect to the Application, the Analysis and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP as Counsel to the Agency with respect to all matters in connection with the Project.

Section 3. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 4. Having considered fully all comments received at or in connection with the Public Hearing and the IDA Meeting, including correspondence received subsequent to the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Additional Financial Assistance, subject to the terms hereof. The Agency hereby approves the granting of an additional exemption from sales and use taxes in an amount not to exceed \$11,500,000.

Section 5. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution, but may include adjustments to the Additional Financial Assistance granted hereunder. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 6. The Agency is hereby authorized to (a) execute and deliver the 2024 Project Agreement and the other Transaction Documents, (b) grant the Additional Financial Assistance, and (c) do all things necessary, convenient or appropriate for the accomplishment thereof. Section 7. The form and substance of the Transaction Documents, in the forms presented to the members of the Agency, together with such changes as the Chairman, Vice Chairman, Administrative Director/CEO or Chief Financial Officer may hereafter deem necessary or appropriate, are hereby approved. The Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Transaction Documents to which the Agency is a party and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby

authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 8. The Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Project Agreement) of the Agency.

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 10. The Chairman, the Vice Chairman, the Administrative Director/CEO and the Chief Financial Officer of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project.
