Resolution No. 08-27-24-01

RESOLUTION TAKING OFFICIAL ACTION TOWARD AND APPROVING THE
STRAIGHT LEASE DOCUMENTS FOR A CERTAIN PROJECT FOR
401 CENTRAL, LLC AND/OR ITS AFFILIATES

WHEREAS, the County of Chautauqua Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the Laws of 1969 of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”) and Chapter 71 of the 1972 Laws of New York, as amended, constituting Section 895-h of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of industrial, manufacturing, warehousing, commercial, research and recreation facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, 401 CENTRAL, LLC, a limited liability company duly organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of 401 Central, LLC and/or an entity or entities formed or to be formed on behalf of any of the foregoing (collectively, the “Applicant”), presented an application for financial assistance (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 9,945 square foot parcel of land known as 401-403 Central Avenue and Lark Street, City of Dunkirk, County of Chautauqua, New York (Tax Map Parcel ID Nos. 79.14-7-9 and 79.14-7-8) (the “Land”), (2) the renovation of the existing approximately 10,855 square foot building on the Land, together with related improvements to the Land (collectively, the “Building”), and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials necessary for the completion thereof (collectively, the “Equipment” and together with the Land and the Building, collectively, the “Project Facility”), all of the foregoing for adaptive reuse by the Applicant as a mixed-use facility consisting of 5 residential rental units in approximately 6,500 square feet of space and approximately 1,800-2,800 square feet of commercial space; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes

and real property taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the A; and

WHEREAS, in accordance with Section 859-a of the Act, any approval of the Project is contingent upon, inter alia, a determination by the members of the Agency to proceed with the Project following a determination by the Agency that (A) the public hearing and notice requirements and other procedural requirements contained in the Act relating to the Project have been satisfied; and (B) the undertaking of the Project by the Agency and the granting of the Financial Assistance are and will be in compliance with all other applicable requirements of the Act, SEQRA (as hereinafter defined), and all other statutes, codes, laws, rules and regulations of any governmental authority having jurisdiction over the Project and/or the Project Facility (collectively, the “Applicable Laws”); and

WHEREAS, the Administrative Director/CEO of the Agency (A) caused notice of a public hearing of the Agency pursuant to Section 859-a of the Act (the “Public Hearing”) to hear all persons interested in the Project and the Financial Assistance contemplated by the Agency with respect to the Project, to be mailed on August 8, 2024 to the chief executive officer of the County of Chautauqua (the “County”) and of each other affected tax jurisdiction within which the Project Facility is or is to be located, and posted a copy of the Application on the Agency’s website; (B) caused notice of the Public Hearing to be published on August 8, 2024 in *The Observer*, a newspaper of general circulation available to residents of the County; (C) caused the Public Hearing to be conducted on August 21, 2024, at 10:00 a.m., local time, at the Center for Innovation and Economic Development, 214 Central Avenue, City of Dunkirk, County of Chautauqua, New York; (D) caused the Public Hearing to be streamed on the Agency’s website in real-time and a recording of the Public Hearing to be posted on the Agency’s website, all in accordance with Section 857 of the Act, as amended; and (E) caused a written report of the Public Hearing to be prepared which fairly summarizes the views presented at the Public Hearing and collected written comments from the public (collectively, the “Report”) and distributed the Report to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the New York Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (“NYSDEC”), being 6 N.Y.C.R.R. Part 617, et. seq., as amended (the “Regulations” and collectively with the SEQR Act, “SEQRA”), the Agency must satisfy the requirements contained in SEQRA prior to making a final determination whether to undertake the Project; and

WHEREAS, pursuant to SEQRA, to aid the Agency in determining whether the Project may have a significant adverse impact upon the environment, the Agency received and reviewed: (1) the Application, and; (2) Part 1 of a Short Environmental Assessment Form provided by the Applicant (the “EAF”) (collectively 1 and 2, the “Environmental Information”); and

WHEREAS, prior to making a recommendation about the potential environmental significance of the Project, the Agency has reviewed the Environmental Information, consulted various information sources, and considered the list of activities which are Type I Actions outlined in Section 617.4 of the SEQRA regulations, the list of activities that are Type II Actions outlined in Section 617.5 of the SEQRA regulations and the criteria for determining significance outlined in Section 617.7 of the SEQRA regulations; and

WHEREAS, the Agency has determined the Project is a Type II Action pursuant to SEQRA because it involves interior renovation and rehabilitation of an existing building with use and occupancy by a type of use permitted within the zoning district occupied by the Land and will not expand the footprint of the Project Facility nor increase or substantially alter environmental impacts associated with the Land and does not exceed any threshold that would make it a Type I Action; and

WHEREAS, the Project would constitute an “Adaptive Re-Use Project” within the meaning of the Agency’s Uniform Tax Exemption Policy and Guidelines (the “UTEP”) and, therefore, the granting of an exemption from real property taxes for a period of fifteen (15) years in accordance with the schedule for such projects set forth in the UTEP would not constitute a deviation under the UTEP; and

WHEREAS, the Agency now desires to make its determination to proceed with the Project and to grant the Financial Assistance, subject to the terms hereof; and

WHEREAS, the Applicant and/or one (1) or more of its affiliates will (A) execute and deliver a certain Company Lease Agreement (the “Company Lease”), pursuant to which the Applicant and/or such affiliate(s) will grant to the Agency a leasehold interest in the Project Facility; (B) execute and deliver a certain Agency Lease Agreement (Uniform Project Agreement) (the “Agency Lease”), pursuant to which the Agency will grant to the Applicant and/or such affiliate(s) a subleasehold interest in the Project Facility; (C) execute and deliver a certain Payment in Lieu of Taxes Agreement (the “PILOT Agreement”), pursuant to which the Agency would grant an exemption from real property taxes with respect to the Project Facility; and (D) execute and deliver certain other certificates, documents, instruments and agreements related to the Project (together with the Company Lease, the Agency Lease and the PILOT Agreement, collectively, the “Transaction Documents”);

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COUNTY OF CHAUTAUQUA INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based upon the Agency’s review of the Environmental Information, the Agency has made the following findings:

(a) The Project is a Type II action under SEQRA, precluded from further environmental review, because it consists of the “maintenance or repair involving no substantial changes in an existing structure or facility”; “replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes”; “reuse of a residential or commercial structure, or of a structure containing mixed residential and commercial uses, where the residential or commercial use is a permitted use under the applicable zoning law or ordinance”; and the “purchase or sale of furnishings, equipment or supplies, including surplus government property” and does not meet or exceed any threshold for a Type I action.

(b) More specifically, the Project involves interior renovation and rehabilitation of an existing building with use and occupancy by a type of use permitted within the zoning district occupied by the Land. The Project will not expand the footprint of the Project Facility nor increase or substantially alter environmental impacts associated with the Land.

Section 2. In accordance with Section 859-a of the Act, the Agency has prepared a written cost-benefit analysis with respect to the Project and the granting of the Financial Assistance (the “Analysis”). The Agency has reviewed the Application, the Report and the Analysis, and, based upon the representations made by the Applicant to the Agency and information obtained by the Agency, the Agency has reviewed and assessed all material information necessary to afford a reasonable basis for the Agency to make a determination to approve the Financial Assistance. In addition, the Agency hereby makes the following findings and determinations with respect to the Project:

(a) based on the proposed use of the Project Facility as set forth in the Application, the economic effects of the Project on the area in which it is situated, and the employment reasonably expected to be created and/or maintained by the Project, and an analysis of how the Project contributes to the realization of the public purposes of promoting employment opportunities in the County and the prevention of economic deterioration in the County, the Project will constitute a commercial facility with a significant impact on the area in which it is situated, and will advance the Agency’s purposes by promoting employment opportunities and preventing economic deterioration in the County. Therefore, the Project constitutes a “project” within the meaning of the Act;

(b) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Applicant to undertake the Project in the County;

(c) there is a likelihood that the Project would not be undertaken but for the granting of the Financial Assistance by the Agency to the Applicant;

(d) the completion of the Project Facility, the sublease thereof by the Agency to the Applicant and the operation thereof will not result in the removal of a facility or plant of the Applicant or any other occupant or user of the Project Facility from one area of the State of New York (the "State") to another area of the State or in the abandonment of one or more plants or facilities of the Applicant or any other occupant or user located within the State (but outside of the County). Therefore, the provisions of subdivision (1) of Section 862 of the Act are not and will not be violated as a result of the granting of the Financial Assistance by the Agency to the Applicant;

(e) the Project will serve the public purposes of the Act by preserving permanent, private sector jobs, and increasing the overall number of permanent, private sector jobs in the State;

(f) no funds of the Agency shall be used in connection with the Project for the purpose of preventing the establishment of an industrial or manufacturing plant, nor shall any funds of the Agency be given in connection with the Project to any group or organization which is attempting to prevent the establishment of an industrial or manufacturing plant within the State, nor shall any funds of the Agency be used for advertising or promotional materials which depict elected or appointed government officials in either print or electronic media;

(g) the Project Facility will not constitute a project where facilities or property that are primarily used in making retail sales of goods and/or services to customers who personally visit such facilities constitute more than one-third of the total cost of the Project; and

(h) the granting of the Financial Assistance by the Agency with respect to the Project will encourage and assist the Applicant in undertaking the Project in the County, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of the County and the State and improve their standard of living, and thereby serve the public purposes of the Act.

Section 3. The Agency hereby ratifies, confirms and approves all actions heretofore taken by the Administrative Director/CEO, the Chief Financial Officer and the staff of the Agency with respect to the Application, the Analysis and the Public Hearing, including, without limitation, (a) those actions required to ensure full compliance with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project, and (b) the appointment of the law firm of Phillips Lytle LLP as Counsel to the Agency with respect to all matters in connection with the Project.

Section 4. The Agency hereby determines that the Agency has fully complied with the requirements of the Act, SEQRA and all other Applicable Laws that relate to the Project.

Section 5. Having considered fully all comments received at or in connection with the Public Hearing and the IDA Meeting, including correspondence received subsequent to the Public Hearing, the Agency hereby further determines to proceed with the Project and the granting of the Financial Assistance, subject to the terms hereof. The Agency hereby approves the granting of (a) an exemption from real property taxes having an estimated value of \$569,016, (b) an exemption from mortgage recording taxes in the maximum amount of \$22,500, and (c) an exemption from sales and use taxes in the maximum amount of \$86,400.

Section 6. The Agency recognizes that due to the complexities of the proposed transaction it may become necessary that certain of the terms approved hereby may require modifications from time to time which will not affect the intent and substance of the authorizations and approvals by the Agency herein. The Agency hereby authorizes the Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer of the Agency, acting individually or jointly, to approve modifications to the terms approved hereby which do not affect the intent and substance of this Resolution, but may include adjustments to the Financial Assistance granted hereunder. The approval of such modifications shall be evidenced by the certificate of determination of an Agency officer or the execution and delivery by some or all such Agency officers of relevant documents containing such modified terms.

Section 7. The Agency is hereby authorized to (a) acquire an interest in the Project Facility pursuant to the Company Lease and the other Transaction Documents, (b) grant a subleasehold interest in the Project Facility pursuant to the Agency Lease and the other Transaction Documents, (c) grant the Financial Assistance, (d) execute one (1) or more fee and leasehold mortgage, assignment of rents and leases, and security agreements in favor of such bank, governmental agency or financial institution as the Applicant may determine (such bank, governmental agency or financial institution, the "Bank"), encumbering the Project Facility, solely to subject the Agency's interest in the Project Facility to the lien thereof, all to secure one (1) or more loans made by the Bank to the Applicant with respect to the Project Facility, and (e) do all things necessary, convenient or appropriate for the accomplishment thereof. All acts heretofore taken by the Agency with respect to the foregoing are hereby approved, ratified and confirmed.

Section 8. The form and substance of the Transaction Documents, in the forms presented to the members of the Agency, together with such changes as the Chairman, Vice Chairman, Administrative Director/CEO or Chief Financial Officer may hereafter deem necessary or appropriate, are hereby approved. The Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer are hereby authorized, on behalf of the Agency, acting together or individually, to execute and deliver the Transaction Documents to which the Agency is a party and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same. The execution and delivery of each such agreement, approval and consent by such person(s) shall be conclusive evidence of such approval.

Section 9. The Chairman, Vice Chairman, Administrative Director/CEO and Chief Financial Officer of the Agency are hereby further authorized, on behalf of the Agency, acting together or individually, to designate any additional Authorized Representatives (as defined in the Agency Lease) of the Agency.

Section 10. The officers, employees and agents of the Agency are hereby authorized and directed, acting individually or jointly, for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Transaction Documents, to execute and deliver all such additional certificates, instruments, agreements and documents, to pay all such fees, charges and expenses, and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, convenient or appropriate to effect the purposes of this Resolution and to cause compliance with all of the terms, covenants and provisions of the Transaction Documents to which the Agency is a party or which are binding on the Agency.

Section 11. The members of the Agency acknowledge the terms and conditions of Section 875(3) of the Act and the duties and obligations of the Agency thereunder with respect to granting of State Sales and Use Taxes (as such term is defined in Section 875 of the Act) with respect to the Project. The members hereby direct the officers of the Agency to comply with such terms and conditions with respect to the Project and hereby direct Counsel to the Agency to include such terms and conditions in all relevant Transaction Documents.

Section 12. The Chairman, the Vice Chairman, the Administrative Director/CEO and the Chief Financial Officer of the Agency are hereby authorized and directed to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.
