MS. STRANDBURG: Good morning. My name is Rosie Strandburg. I am a Project Manager and a duly authorized hearing officer of the County of Chautauqua Industrial Development Agency (the “Agency”) and I have been authorized to hold a public hearing pursuant to Section 859-a of the New York General Municipal Law, as amended (the “Act”).

Today is December 9, 2025 and the time is now 9:00 a.m. We are at 2883 North Road, Mina-Findley Lake Community Center, Findley Lake, County of Chautauqua, New York.

The Agency has received an application for financial assistance in connection with the following matter:

MAPLEVALE FARMS, INC., a corporation duly organized and existing under the laws of the State of New York, on behalf of itself and/or the principals of Maplevale Farms, Inc. and/or an entity or entities formed or to be formed on behalf of any of the foregoing (collectively, the “Applicant”), presented an application for financial assistance (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) consisting of the following: (A)(1) the acquisition of an interest in an approximately 194 acre parcel of land known as 3196 Route 426, Findley Lake, Town of Mina, County of Chautauqua, New York (Tax Map Parcel ID Nos. 342.00-1-1) (the “Land”), (2) the construction of an approximately 144,405 square foot building on the Land, together with related improvements to the Land (the “Building”), and (3) the acquisition of certain furniture, fixtures, machinery, equipment and building materials necessary for the completion thereof (collectively, the “Equipment”, and together with the Land and the Building, the “Facility”), all of the foregoing for use by the Applicant as a refrigerated food warehouse and distribution facility; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing in the form of potential exemptions or partial exemptions from sales and use taxes, mortgage recording taxes and real property taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity(ies) as may be designated by the Applicant and agreed upon by the Agency.

The Project Facility would be initially owned, operated and/or managed by the Applicant (or such other designated entity(ies)).

The Applicant (or such other designated entity(ies)) would receive the Financial Assistance from the Agency in the form of potential exemptions or partial exemptions from real property taxes, mortgage recording taxes and sales and use taxes. The Property Tax Exemption, if approved by the Agency, would represent a deviation from the Policy.

Notice of this public hearing was published in *the Post Journal* on November 25, 2025 and provided to the Chief Executive Officer of each affected tax jurisdiction within which the Project Facility is or will be located by letter dated November 24, 2025.
